The rent recovered from the Sub Divisional officer is said to be Rs 12 per annum, but as the original cost of the building is put down at Rs 2000, rent should have been recovered at 6 per cent on this sum.

The present unfurnished rental value of the building and the Budget Clerk. rent should, I think, be considered fixed.

NOTE OF REMARKS.

1. The accompanying plan and estimate provide for the repair of the Sub Divisional Officer's Bungalow and office at Vedal-dachelburry, South West District, at a cost of Rs. 1870. The value of the buildings is Rs. 3000.

2. It is proposed to remove the roofs of both buildings, replacing them with rafters of good material and workmanship. In the case of the office tiled roofing is to be substituted for thatch. Such of the old materials as admit of it, are to be utilized.

3. It is stated a mixture of tar and sand is to be employed against the attacks of white ants on the wood, would Asphalt Mixture be a better preventive — Kerosene oil, coal tar and a little asphalte? — Subject to approval, should it not add to the value of the latter

of the refund rate of the establishment either in whole or in part thereafter granted?
