READ—the following paper:—

Office Note from the Examiner, Public Works Accounts, dated Madras, 6th October 1883, No. 702.

With reference to G.O., No. 2295 W., dated 16th August 1883, please state whether the A Project division establishment, which on an average costs Rs. 400 monthly, is to be charged to Excluded Local Funds while employed on the survey of the Vizagapatam harbour, which latter from May to end of August 1883 has cost Rs. 488-3-7, exclusive of the cost of an establishment. This is no doubt intended by G.O., No. 1839 W., dated 2nd July 1883; but as the work has since been abandoned, I should like to know whether the instructions therein issued still hold good. If no portion of the establishment so employed is to be charged to Excluded Local Funds, but the whole to Protective Public Works as heretofore, please state on what project or projects the establishment in question may be considered to have been employed while the above survey was in progress.

ORDER—dated 20th October 1883, No. 2982 W., Public Works.

The cost of the A Project division establishment from May to end of July 1883 will be charged to Port Funds.
