Read—the following letter from Lieutenant-Colonel T. K. GUTHRIE, Acting Inspector-General of Police, to the Secretary to Government, Public Works Department, dated Madras, 18th October 1883, No. 5360 :—

Adverting to G.O., No. 2532 W., dated 10th ultimo, Public Works Department, allotting a sum of Rs. 700 only for appropriation this year towards the sanctioned estimate of Rs. 1,835 for eight police huts at Atmakúr, Nellore district, I have the honor to forward the accompanying letter, in original, received from the Superintendent of Police, from which it will be seen that the work is sufficiently advanced to admit of the utilization of the whole of the balance of the allotment (Rs. 1,135), for the appropriation of which I request that arrangements may be made, as it is desirable to complete these huts during the official year.

2. Referring to paragraph 2 of G.O., No. 2834 W., dated 8th instant, Public Works Department, I beg to represent that a sum of Rs. 1,810 previously allotted for a police station-house at Chengam, South Arcot district, not being required for that purpose, was withdrawn and credited to the "Provincial Reserve with Government," and it is from this source that I would suggest that the above balance (Rs. 1,135) should be obtained.

Enclosure.

From W. J. A. SULLIVAN, Esq., Superintendent of Police, Nellore, to the Inspector-General of Police, dated 12th October 1883, No. 630.

With reference to Chief Office foot-note, No. 5227, dated 9th instant, I have the honor, after consultation with the Executive Engineer, to inform you that the huts at Atmakúr will be completed during this official year, and to request that the balance of the amount, Rs. 1,135, also may be allotted this year for their completion.

Order—dated 23rd October 1883, No. 2998 W., Public Works.

There are no funds at present available to augment the grant already made for constructing eight police huts at Atmakúr, in the Nellore division, but if possible, the grant will be supplemented later in the year, should funds be resigned by Superintending Engineers.
