PUBLIC WORKS DEPARTMENT.

Buildings and Roads.  
Civil Works.

READ—the following paper :—

From Colonel J. BEATTY, R.E., Superintending Engineer, Fourth Circle, to the Chief Engineer, Public Works Department, dated Ootacamund, 11th October 1883, No. 437.

With reference to G.O., No. 1270 W., of 19th May 1882, I have the honor to forward, for sanction, a plan and an estimate, amounting to Rs. 3,860, accompanied by a report and a duplicate abstract estimate, for improving the Huzur treasury at Coimbatore, with a view to making it safe.

2. The estimate provides for carrying out the instructions given in G.O., No. 1055 W., of 28th April 1882, and the nature of the work will be found fully explained in the report.

ENCLOSURE.

Report to accompany the plan and estimate for improving the Huzur treasury at Coimbatore, amount of estimate Rs. 3,860.

References.— { G.O., No. 1055 W., of 28th April 1882.  
                  { G.O., No. 1270 W., of 19th May 1882.

1. The estimate now submitted is prepared in accordance with G.O., No. 1270, of 19th May 1882; the alterations proposed have the approval of the Collector.
2. The present treasury-room is a long room marked B and C in plan, with a tiled roof; it was condemned in this office report, No. 251, of 20th June 1883.
3. It is now proposed to carry out the following alterations :—
  - (a) The tiled roof is to be removed and replaced by a solid terraced roofing.
  - (b) The present room (B and C) is to be divided into two rooms, B and C, and extended towards the north as far as the present verandah.
  - (c) On the north side the terraced roof will be carried on a series of arches, these arched openings being closed by iron railings, the centre opening will be an iron barred door.
  - (d) In the south wall, i.e., in passage F, openings closed by iron railings will be made to enable the police to look into the room on this side.
  - (e) A window in room D will be made into a door, and a cross wall will be built in passage E.
  - (f) Two iron barred windows are to be placed in the west and south walls of room A, and a door is to be placed in the west wall of room A continued, i.e., just outside room A.
4. When the alterations now proposed are carried out, the treasury will fulfil the conditions of G.O., No. 1055, of 28th April 1882, and will therefore be safe, that is—
  - (1) It will be provided with a terraced roof, and
  - (2) The police will be able to patrol round the room, and have a view into it from all sides.

5. The rooms B and C have been divided into two at the request of the Collector, the extension of the rooms to the verandah were also asked for by that officer, who considered the present accommodation too limited.

Room B will be the real treasury for reserve coin and stamps.

Room C will be the cash-keeper's room.

6. The size of the doors leading into the room C, as also all the alterations proposed, have been decided on in consultation with the Collector.

COIMBATORE,  
6th October 1883.

(Signed) R. DAVIDSON,  
Executive Engineer.

*Memorandum by the Chief Engineer, Public Works Department.*

Submitted for the sanction of Government.

2. The amount of the estimate has been increased from Rs. 3,860 to Rs. 3,910 by an alteration in the scantlings of beams and joists.

## NOTE OF REMARKS.

1. The plan and estimate have been submitted provide for the improvement of the treasury and cash keepers rooms of the Mysore Treasury Coimbatore. Estimated cost is Rs. 3,800. (altered to 3,910)
2. The proposed improvement is to be effected in obedience to G.O. No. 1055 H. of the 28<sup>th</sup> April/82 which rules:— All strong rooms should be so exposed in all their parts to the scrutiny of day that no one can enter them without being exposed to view. (2) The roofs or ceilings of such rooms should in all cases consist of solid terracing.
3. The beams are not well placed but no alternative exists until the present arrangement. Scantling of beams is 12" x 17" should be 10" x 18"; of joists 3" x 5" should be 3" x 6".
4. Plan and estimate have been
