Sir,

Enclosure 1

I have the honor to forward
copy of Proceedings of Government in
the Financial Department No. 1190 Mis.
of 14th June last conditionally trans-
ferring the quarters now occupied by
the Hospital Assistant doing duty
at the Civil Dispensary in the Vellore
Fort to the Civil Department, and to
request that orders may be obtained
for the omission of the building in
question from the "Return of public
buildings rented and available for
rent."

a

a rent of Rs 2 for this building which
was raised to Rs 4 by my predecessor

As the building has since been transferr
ed to the Civil Department I have
authorized the Executive Engineer to
recover the rent at the former rate

No 29

From Surgeon Mr. Robinson, Acting
Civil Surgeon, Vellore, to the President of
the Municipal Commission, Vellore; of
Vellore, 13th December 1882 No 2436.

I have the honor to inform you that,
without any warning, the rent of the quar-
ters occupied by the Hospital Assistant
who is doing duty at the Civil Dispen-
sary in the fort, Vellore, has been raised
from Rs 2 to Rs 4, and without any reason
being assigned for the same. I have
informed the Station Staff Officer that
I consider Rs 2, which has hitherto been
paid, a fair rent, and Rs 4 excessive, as
in this place house-rent is very low.
He has informed me that the quarters
must be vacated unless the higher rent
is

is paid. These quarters are adjacent, or one may almost say form part of, the Civil Dispensary. If the Hospital Assistant does not live in these quarters he would have to take a house in the town, where he could not be less than three-quarters of a mile from the Hospital. It is, of course, most desirable that he should live close at hand, that he may be ready for any emergency, and that he may be able at any time to look after the sick. The Hospital Assistant's pay is only Rs 25 a month. He would therefore rather leave the quarters than pay Rs 4 for them, especially when he can get better accommodation in the town for Rs 3.

2. The Government have given over the jail buildings used as the Civil Dispensary to the Municipality without rent, and I have now the honor to request that you will be so good as to solicit Government to hand over the old jail's quarters attached thereto to the Municipality as a residence for the Hospital Assistant.

True copy submitted to Government for favorable consideration. It seems very desirable to keep the Hospital Assistant near the Dispensary, and it is clear that equally good accommodation can be obtained in the town for not more than Rs 3.
