A PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following letter from Colonel J. BEATTY, R.E., Superintending Engineer, Fourth Circle, to the Chief Engineer, Public Works Department, dated Ootacamund, 17th October 1883, No. 178 C./E.W.

I have the honor to bring to your notice that it would be a great relief to this department if the Principal of the Lawrence asylum were allowed to undertake the execution of all petty repairs to the Asylum buildings within a fixed limit of monthly expenditure, and I have ascertained from Mr. Dene that he is willing to undertake such works.

2. My proposal is that the Executive Engineer should be authorised to accept and pay bills submitted by the Principal of the Asylum within a limit of Rs. 200 per month; should the outlay be less than Rs. 200 in one month, it might be somewhat greater in the next; care being taken, however, that the expenditure in question is for *bond fide* repairs only, and that the total bills of the year fall within Rs. 2,400.

3. I have to ask sanction to this arrangement as a special case, as it seems to be forbidden by paragraphs 1327 and 1400 of the Public Works Code.

4. The Principal of the Asylum will, of course, still be at liberty to call on the Executive Engineer to estimate for, and carry out, if necessary, any extensive repairs which he finds it impossible to undertake from the limited funds now proposed to be placed at his disposal.

ORDER—dated 29th October 1883, No. 3059 W.
A Public Works.

The Government have no objection to the Principal of the Lawrence Asylum carrying out petty repairs to the buildings on duly sanctioned estimates.
