EXPLANATION OF NECESSITY

1. Items 11, 28 & 29. The Secy. to Govt P.W.D. states that there would be no necessity for a re-appropriation, if Perambalur & Arigalur had average local facilities instead of obliging labour & materials to be sent out to them.
2. Item 42 - The Secy. to Govt P.W.D. reports that as no orders have been given for the construction of cells for prisoners, the whole of the existing grant cannot be spent. Rs 7000 are therefore given up.
3. With regard to the Cemetery at Pudukpatnam Rs 2170 are relinquished as

ments Repairs, is for the repairs to the sea dyke at Masulipatam for which an estimate has been received.

muni Lock to the Suggiala Division Office for which an estimate has been sanctioned by me, in anticipation of sanction of funds, the work being of an emergent nature.
3. If the amounts applied for above, cannot be allotted from the Reserve at the disposal of the Government, I request that they may be obtained by transfer from Rs 3000 sanctioned day from the grant for repairs to the Collectors house and subsidiary buildings at Masulipatam.

N.B. - If there is not room here for the whole of the explanation an additional half sheet or more of foolscap should be added and the explanation should be continued thereon.
