Sir,

I take the liberty of bringing to your notice
that no reply has yet been received to the enquiry
I made in September of last year regarding the
date of commencement of service for furlough
on the part of the earlier years ^{of} Cooper's Hill Engineers.
My letter will be found in P. M. L. No 2763 W
dated October 24/82 by which the matter was
referred to the Government of India. In March
last (P. M. L. No 840 W of March 14th) a reminder
was sent, but the Government of India, I believe,
replied that the question had been referred to
the Secretary of State. There can be but little doubt,
I imagine, that my contention will be favourably
considered and as it makes a difference to
