Resolution of the Government of India, Department of Finance and Commerce, dated Simla, 28th September 1883, No. 3367.

Pay and Allowances—Travelling Allowances.
Rules and General Matters.

Read—

Letter from the Government of Bombay, No. 245-E.—1039, dated the 4th July 1883, received in the Public Works department, inquiring, with reference to section 46 of the Civil Travelling Allowance Code, whether it is intended to withdraw the concession of a free passage by rail from port of debarkation to destination hitherto allowed to a non-commissioned officer of the Public Works department on returning from leave on medical certificate in Europe.

Resolution—

Under the provisions of section 46 and the footnote at page 25 of the Civil Travelling Allowance Code, a non-commissioned officer in civil employ is not entitled to free passage by rail from the port of debarkation to destination on return from leave on medical certificate in Europe. The Governor-General in Council, however, observes that the object of that section is that military officers in civil employ should continue to enjoy the same privileges as if they were in military employ; and further that the extracts from the Military Pay Code, printed as a footnote at page 25 of the Civil Travelling Allowance Code, do not constitute a complete body of rules regarding the travelling allowance of military officers when proceeding on, or returning from, leave. Such rules will be found in their complete form in paragraphs 513 (*h*), (*o*), and (*p*), 555, 562, 563, 570, 571, 574, 580, 596, and 615 of the Military Transport Regulations, part II. Accordingly the Governor-General in Council directs that the sections of the Transport Regulations above quoted be substituted for the sections of the Military Pay Code in the footnote at page 25, and that the words "or returning therefrom" be inserted after "certificate" in section 46 of the Civil Travelling Allowance Code. Under the rules as now amended, free passage by rail from port of debarkation to destination for themselves and their families will be admissible to non-commissioned officers on returning from leave on medical certificate in England. The amendment of the section and of the footnote may be considered to have effect from the date of issue of the Travelling Allowance Code.

Order—

Ordered that this resolution be communicated to the Public Works and other departments of the Government of India, to the several Local Governments and Administrations, to the heads of the departments under the department of Finance and Commerce, and to all Accountants-General for information and guidance.
