GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

Read—the following papers :—

From Colonel T. E. TENNANT, Inspector-General of Jails, to the Secretary to Government, Public Works Department, dated Ootacamund, 25th September 1883, No. 265.

I have the honor to forward, for the sanction of Government, the accompanying estimates, amounting to Rs. 1,170, for repairs to the quarters of the jailor and the hospital assistant attached to the district jail at Vizagapatam.

	Rs.
Repairs to the jailor's quarters ...	1,095
Do. to hospital assistant's quarters	75
Total ...	1,170

2. It is stated in the Executive Engineer's report * accompanying the estimate that the present terraced roof of the jailor's house is much cracked, and that it will be necessary to remove the old roof entirely, and it is proposed to replace it by a tiled roof carried on teakwood trusses and purlins. The other petty repairs are fully detailed in the report, and are stated to be very necessary to preserve the building.

* Dated 10th September 1883.

3. Funds are available from the grant to this department for petty construction and repairs. It is requested that the repairs be carried out by the Public Works Department. A sum of Rs. 60 should be deducted from the estimates as the value of convict labor given free of charge.

No. 1867 C., Public Works.

Forwarded to the Superintending Engineer, First Circle, for consideration whether, with the given space and arrangement of rooms, an ordinary couple roof will not be more suitable.

(By Order.)

Chepauk,
4th October 1883.

(Signed) C. BOWEN, Major, R.E.,
Deputy Chief Engineer, P.W.D.

From G. T. WALCH, Esq., Officiating Superintending Engineer, First Circle, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 9th October 1883, No. 312 V.Z.

With reference to your No. 1867, dated 4th October 1883, I have the honor to say that my experience has proved to me the great superiority of roofs carried on trusses over those carried on "couples," and I recommend that the estimate under notice (herewith returned) be passed as sent in.

Public Works Department Chief Engineer's endorsement, No. 1867 C., dated 4th October 1883, to the Superintending Engineer, First Circle, with its eight enclosures.

Order—dated 31st October 1883, No. 3095 W., Public Works.

The estimate, amounting to Rs. 1,170, for repairs to the quarters of the jailor and hospital assistant of the district jail at Vizagapatam, is sanctioned for execution by the Public Works Department.

2. Funds will be allotted by the Superintending Engineer under "Repairs, Provincial."

3. This sanction has been registered as Provincial No. 150 W. of 1883-84 and classified as Civil Buildings, Repairs.

a trust roof is as a rule undoubtedly better than a Couple one, but for the short span, the wall between by verandahs, & the spacing of 2 trusses in main room, I think T.S Section was perfectly valid.

However pass the estimate as S.E. Reject & complete.
