How was this letter No 2740  
forwarded without signature?

Dr. 31/10 W

Apparently both  
the copying section  
& the despatcher  
omitted to notice  
that the letter was  
not signed -

Both parties  
plead busyness  
in excuse -

CJ.

I hope this won't occur  
again. It is extremely awkward,  
especially in a letter of J.

The omission to  
notice the signature  
was purely an over  
sight on the part of  
the current section

The numbering Clerk  
has to number &  
date papers of every  
description & there are  
such lots of them  
that he must have  
passed it as by  
an oversight
