PUBLIC WORKS DEPARTMENT

LETTER—to

THE MOST HONORABLE THE SECRETARY OF STATE FOR INDIA

MY LORD MARQUIS,

We have the honor to acknowledge the receipt of your Lordship's Despatch No 30 (Statistics and Commerce), dated 23rd November 1882, and to inform you in reply that the books and publications therein referred to were not transmitted with special reference to your Lordship's Despatch of the 3rd February 1881, No 4, but in compliance with a request of the President of the Library Committee of the Royal Engineer's Institute at Chatham, addressed to our Secretary in the Public Works Department, for certain surplus books which it was desired to dispose of

2 The books were selected by the President himself from a list with which he had been furnished, and the package was addressed to him with a covering letter from our Secretary which probably reached before the package itself, and was doubtless handed over by the India Office to the President.

3 We have now the honor to request that the package itself may likewise be made over to the President of the Library Committee

We have the honor to be,

My Lord Marquis,

Your Lordship's most obedient, humble servants,

(Signed)	M E GRANT DUFF.
