2 The Military Minor Works grant, *vide* Budget Item No 8, amounts to only Rs 21,987, but the demands of Superintending Engineers are as follows —

|                                                                          | RS       |

| For New Major Works                                                      | 38,320   |
| For New Minor Works                                                      | 6,457    |
| Total                                                                    | 1,18,674 |

The Minor Works grant has been distributed as follows —

|                                                | RS     |
|------------------------------------------------|--------|
| For Minor Works anticipated as per Statement A | 12,200 |
| For Minor Works as per Statement B             | 3,938  |
| For Major Works as per Statement B             | 4,279  |
| Reserve with Government                        | 1,570  |

3 With reference to G O, No 1076 W, dated 11th April 1883, it has only been found practicable to place Rs 7,000 at the disposal of Officers Commanding Divisions and Districts, which His Excellency the Commander-in-Chief will instruct to be distributed in such proportions, as he may deem necessary

4 The Superintending Engineer, Third Circle, in his No 445, dated 12th May 1883, suggests that in lieu of the Minor Works grant, the Military Repair grant be placed at the disposal of Officers Commanding Divisions and Districts. The opinion of His Excellency the Commander-in-Chief will be obtained on this point, through the Military Department

5 Under Repairs Military the demands of Superintending Engineers amount to Rs 2,87,150, but as the budget provision is only Rs 2,75,000, the demands have been reduced to Rs 2,72,150, *vide* Statement A which accompanies this resolution. This leaves Rs 2,850 as a reserve with Government

6 Rs 3,085 have been placed at the disposal of Superintending Engineers under Original Works, Postal, and Rs 5,079 allotted for Major and Minor Incomplete and New

9 Appropriations have been asked for 23 Incomplete and 33 New Registration Buildings, aggregating Rs 1,02,620, but as the reserve with Government is only Rs 24,070, it has not been found possible to allot funds for any new works

10 A list of Police Works costing above Rs 1,000 and under Rs 2,500 each, and for which funds have been applied for by Superintending Engineers, has been sent to the Inspector-General of Police for his remarks, prior to allotment of funds

11 The provision in budget for converting the terraced roof of the Tahsildar's Cutcherry at Russellkonda into a tiled one, Item No 12, viz, Rs 2,330, not being required by the Superintending Engineer, has been resumed and added to the reserve

12 Under registration buildings also, the provision for the District Registration Office at Bellary, Item No 53, has been reduced to Rs 2,293, as Rs 1,993 was spent on the work in 1882-83. The amount resumed has been added to the reserve with Government under Registration

13 The demands made under repairs and tools and plant and the allotments passed are shown in Statement C

14 Statement E shows the appropriations made on account of temporary establishment.

15 To meet the outlay necessary to complete the works now in progress, under Military and Provincial, Superintending Engineers will, as early as practicable, submit proposals for the necessary reappropriation of budget credits. The works in the meanwhile will be pushed on to completion
