13TH JANUARY 1883, MIS. No. 68, FINANCIAL.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

From M.R. Ry. P. CHIENSAL RAO, Superintendent of Stationery, to the Chief Secretary to Government, dated Madras, 20th December 1882, No. 1228.

The Committee appointed, under G.O., dated 13th October 1882, No. 1466, to determine the quality of stationery articles which should be supplied to public offices having suggested to me the desirability of improving the Service Register Book now supplied to all offices, I have the honor to submit, herewith, a sample of the book which, I think, may, with advantage, be substituted for the one now used. A copy of the latter is also herewith sent. The cost of the new book, including the charge for printing and the value of paper, will be Annas 2-10, while the price charged for the form now in use is 8 pies; but as the form proposed is neat, handy, and more lasting; I think that Government servants will prefer to have this in the place of the old one, notwithstanding the increase in the price, especially as they will have to pay for it only once during the whole period of their service, and I accordingly beg to recommend that the introduction of the new book be sanctioned subject to a price of Annas 2-10 per copy.

2. I request that the new book, herewith sent, may be returned, as I have obtained it on loan from the Chief Engineer for Irrigation.

ORDER—dated 13th January 1883, Mis. No. 68, Financial.

The introduction of the new Service Book recommended is sanctioned.

2. The Superintendent of Stationery will arrange for its supply to all Heads of Departments who will indent on him for the number of books required for their respective departments; and who will see that no other form is used in future.
