7 A provision of Rs 840 is made for items 3, 4 and 5, as shewn below, for 1884-85 They are new items The necessity for these works has been fully explained in the Senior Assistant Agent's further report of his hill tour, dated 17th March 1883, No 80, submitted with my administration report, dated 14th July 1883, No 357.

Nos 7 and 9—Increased provision is made with reference to the actuals of 1882-83.

No 8—The increased grant is to meet charges in case new markets are established.

No 10 calls for no remark.

Nos 11 and 12—Rs 10 are provided for each of the two police bungalows at Nuagada and Kolakota recently transferred to the Agency department.
