REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue, dated 4th October 1883, No 2973 —

Read—the following letter from C A GALTON, Esq, Acting Collector of Malabar, to the Secretary to the Board of Revenue, dated Calicut, 14th September 1883, No 3756 —

I have the honor to state that for the last three or four years the district munsif of Ponáni has been permitted to hold his office in the building formerly used as an office for the Deputy Collector of the southern division

2 On the late reconstitution of the southern or Ponáni division, I addressed the District Judge requesting him to direct the district munsif to vacate the building, but as the district munsif's old court-house is in ruins and no other suitable accommodation could be found, I complied with Mr Wilkinson's request to permit the district munsif to continue to occupy the building

3 The only other building available for the Deputy Collector's office is the Local Fund chattram, which is reported not to be used by the public The Local Fund Board have agreed to rent it to Government at Rs 5 per mensem, provided Government undertake to keep it in repair These terms I have ascertained to be reasonable I beg therefore that sanction may be accorded for incurring the charge

4 The Deputy Collector reports that some emergent repairs and improvements are required to adapt the building for the purpose of an office, and estimates their cost at Rs 160, of which about Rs 25 have already been spent in anticipation of sanction

5 I beg that the proposed expenditure may be sanctioned and funds provided, as the supplemental allotment of Rs 250 applied for in my letter, dated 1st instant, No 3552, did not include this outlay

6 The chattram is situated about two miles from the town without any houses in the vicinity There are valuable escheat and other records besides property in criminal cases to be looked after, and as the Deputy Collector is allowed only three peons, he is unable to place a proper guard over it at night, whilst it would be unsafe to leave it without a proper guard Under these circumstances, I beg that, as a temporary measure, two additional peons, on Rs. 7 each, may be sanctioned

7 The charges above alluded to are unavoidable, there is no other building equally suitable for an office, and if the Deputy Collector had been allowed to occupy the premises now used by the munsif, the latter would have been obliged to hold his court in the chattram and the same cost would have been incurred in the Judicial Department The chattram not being so conveniently situated for the munsif's court, I thought it better not to disturb him At no distant date the block of buildings occupied by the tahsildar and munsif will have to be vacated as it is proposed to construct a new building to accommodate all departments on the same site—*vide* Board's Proceedings, dated 23rd October 1882, Miscellaneous No 8161.

Resolution—dated 4th October 1883, No 2973

The Board sanction the Collector's proposal to rent the Local Fund chattram for the office of the Deputy Collector, southern or Ponani division, on a rent of Rs 5 per mensem, the Government undertaking to keep the building in repair. The outlay of Rs 160 required for adapting the building for the purpose of an office is sanctioned from savings in other districts under the head petty construction and repairs.

2 The sanction of Government is requested to the entertainment of the two temporary peons, on Rs 7 each, required for keeping watch over the building at night.

3 These arrangements will continue till the erection of the new buildings referred to in G O, dated 11th October 1882, No 3335, Revenue Department.

Mis No 6869 —

From W LOGAN, Esq, Collector of Malabar, to the Secretary to the Board of
Revenue, dated Calicut, 15th August 1882, No 2340

In reply to the Board's Proceedings, dated 17th ultimo, No 5407, I have the honor to state that, as the site of the present building will be the most suitable site for the erection of the proposed new Taluk Cutcherry, a rented building will become necessary for the accommodation of the Tahsildar, when the Public Works Department are ready to begin with the work

2 From the accompanying copy of the Head Assistant Collector's letter, No 972, dated 27th ultimo, it will be seen that there are one or two warehouses in the vicinity of the present building, which will answer temporarily for the Tahsildar's office and which can be obtained on a rental of Rs 10 to 15 per mensem To make a portion of the building serve as a treasury and subsidiary jail a small expenditure will, however, have to be incurred to strengthen some of the rooms

3 As the present Taluk Cutcherry was formerly the office of the Deputy Collector located at Ponáni, and as it now accommodates the Tahsildar, District Munsif and Sub-Registrar, I would suggest that it would be advantageous to Government to build a consolidated block of public offices at Ponáni for the Deputy Collector, District Munsif, Tahsildar, Sub-Registrar and Post Office

Resolution—dated 9th September 1882, Miscellaneous No 6869.

Submitted to Government in continuation of Board's Proceedings, 17th July 1882, Miscellaneous No 5407, with special reference to paragraph 3, wherein the Collector suggests that a block of buildings suitable for the accommodation of all the public offices at Ponáni should be constructed The proposal is one which merits consideration

2 When the officers of the Public Works Department are ready to commence work the Board will be prepared to sanction the renting of the warehouses which it is proposed to occupy temporarily

From W LOGAN, Esq , Collector of Malabar, to the Secretary to the Board of Revenue, dated Calcut, 8th July 1882, No 2013 —

I have the honor to submit, for the information of the Board, the accompanying copy of a letter from the Executive Engineer in charge of the West Coast Division, from which it will be seen that the building formerly used as an office for the Deputy Collector located at Ponani, and now used as the Taluk Cutcherry, District Munsif's Court and the Sub-Registrar's Office, is in such a state of disrepair that a new office for the Tahsildar is urgently required

2 I beg that this matter may have the early consideration and sanction of the Board, and that orders may issue to the Public Works Department for the preparation of the necessary plan and estimate

ENCLOSURE

From Captain C C RAWSON, R E, Executive Engineer, to the Collector of Malabar, dated Calcut, 6th July 1882, No 598

Referring to your letter No 1284, dated 2nd May 1882, I have the honor to report that I personally inspected the building containing the Tahsildar's and District Munsif's Court and the Sub-Registrar's office at Ponani on the 4th instant

2 I consider that a portion of the roof of the subsidiary jail is in an unsafe condition. I told the Tahsildar of this, and informed him that prisoners should not be confined in that portion of the building a portion of the roof of which had fallen in. I request that you will issue an order to this effect to the Tahsildar. I consider the whole building to be in a very shaky condition. The stair-case leading up to the Munsif's Court has been both supported by buttresses and tied on to the main building with iron rods. The roof of the Tahsildar's Court and Treasury is in a very bad condition, much of the timber being quite rotten. The roof of the Munsif's Court is rather better, but not in good order, the roof of the other buildings attached to the Tahsildar's Court are in very bad order.

3 The whole building requires reroofing, with new wood-work, and the building is so old and shaky that it is not worth such an expenditure.

4 The span of the Munsif's Court, an upstairs room, is 35 feet. I consider that an upstairs-house having such a large tiled-roof is extremely unsuited to an exposed position nearly on the sea beach.

5 In my opinion new buildings are required for the Courts of both the Tahsildar and Munsif, and a new Sub-Registrar's office to be attached to the new Taluk Cutcherry. Any urgent repairs required should be executed by the Tahsildar. The state of the roof is such that no repairs, short of entire renewal, by the Public Works Department would do any good.

Resolution—dated 17th July 1882, Miscellaneous No 5407

Submitted for the orders of Government It is evident from the Executive Engineer's report that new offices are urgently needed at Ponán

The Collector will report whether, in his opinion, it is desirable to rent a building for the accommodation of the Tahsildar pending the construction of a new Cutcherry
