GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

Read—the following letter from G. H. W. WALKER, Esq., Officiating Under Secretary to the Government of India, Public Works Department (General), to the Secretary to the Government of Madras, Public Works Department, dated Simla, 30th October 1883, No. 1428 G.:—

In reply to your endorsement, No. 2866 W., dated 12th October 1883, I am directed to state that the Government of India approves of the appointment of Mr. J. E. Lafrenais, Sub-Engineer, 2nd Grade, to fill the appointment of temporary Assistant Engineer, on Rs. 350 per mensem, sanctioned for the Rushikulya project in this office No. 742 G., dated 21st May 1883. The date of his joining the appointment should be reported.

2. This sanction is registered as No. 13 of 1883.

Order—dated 10th November 1883, No. 3177 W., Public Works.

Communicated to the Superintending Engineer, First Circle, and the Examiner, Public Works Accounts.

2. The Superintending Engineer will report direct to the Chief Engineer the date on which Mr. Lafrenais joins his appointment.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

Read—the following letter from G. H. W. WALKER, Esq., Officiating Under Secretary to the Government of India, Public Works Department (General), to the Secretary to the Government of Madras, Public Works Department, dated Simla, 21st May 1883, No. 742 G. :—

	RS.
1 Executive Engineer	650
1 Assistant do.	450
1 do. do.	350

In reply to your letter, No. 1132 W., dated 16th April 1883, I am directed to communicate sanction to the temporary establishment marginally noted for a period of one year for the execution of the Rushikulya Project, and to request, should it be found necessary to retain the establishment for a longer period, that application for renewal of sanction may be submitted three months before the expiry of the present sanction.

2. As regards the request that the Government of India will obtain the services of qualified persons for the appointments now sanctioned, I am to state that the Governments of Bengal and the North-Western Provinces and Oudh have been asked if they can recommend any Engineers who would answer both for this and the tank systems, and if so to inform you direct, giving full particulars of their qualification; meanwhile, the Government of India will not object to the Madras Government engaging Royal Engineer Officers temporarily in the fourth grade of Executive Engineer from the Madras Sappers and Miners if they can be spared, but I am to say that it is considered the local Government might do more towards supplying the temporary Assistant Engineers required from amongst the passed students of its own Civil Engineering College.

3. The rest of the temporary appointments which do not exceed Rs. 250 a month can be sanctioned by the Madras Government under Public Works Code, I, 88.

4. I am to add that these sanctions are not to be taken as affecting the general question of the strength of the permanent establishment for Madras, which is being separately considered.

Order—dated 16th June 1883, No. 1699 W., Public Works.

Communicated to officers concerned.

2. The Superintending Engineer will at the proper time report on the subject of paragraph 1 of the foregoing letter.

3. The question of the provision of the necessary Engineer Establishment for the project will be dealt with separately.

(True Extract.)

12th October 1883, No. 2866 W., Public Works.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

Read—the following letter from J. E. LAFRENAIS, Esq., B.C.E., Sub-Engineer, Coimbatore Sub-division, to the Superintending Engineer, Fourth Circle, through the Executive Engineer, Coimbatore Division, dated Coimbatore, 4th October 1883, No. 62:—

In reply to your endorsement, No. 659, of 2nd October 1883, on the Chief Engineer's memorandum, No. 412, dated 1st October 1883, offering me an appointment as temporary Assistant Engineer on Rs. 350 per mensem, I beg to state that I am willing to accept it provided the nature of the work is similar to that on which I am at present employed, as in case I am required to undertake duties such as railway surveys and levels requiring exposure and endurance of hardships in unhealthy districts I will be unable to discharge my duties satisfactorily as I still suffer from occasional attacks of fever contracted in Wynaad a few years ago during my service in that district.

No. 765.

Forwarded to the Superintending Engineer, Fourth Circle. I am of opinion that Mr. Lafrenais, though well qualified to carry out surveys and other field work, would probably be at an early date incapacitated from sickness. Mr. Lafrenais served some years in the Wynaad, and there contracted Wynaad fever, from which he still suffers at intervals.

2. He would, however, do well on any project which it may be proposed to carry out.

(Signed) J. P. DAVIDSON,
Executive Engineer.

4th October 1883.

No. 430.

Endorsement on the above.

Forwarded for the information of the Chief Engineer with reference to his memorandum, No. 412 E., of 1st instant.

(Signed) J. BEATTY, Colonel, R.E.,
Superintending Engineer, Fourth Circle.

Coimbatore,
4th October 1883.

Order—dated 12th October 1883, No. 2865 W., Public Works.

Mr. J. E. Lafrenais, B.C.E., Sub-Engineer, 2nd Grade, is appointed a temporary Assistant Engineer on Rs. 350 per mensem, under the terms of the Resolution of the Government of India recorded with G.O., No. 2502 W., dated 6th September 1883.

2. Mr. Lafrenais will be posted to the First Circle for employment on the Rushikulya project under Captain Dorward, R.E.

3. He will join at the public expense.

(Here enter No. 2866 W., dated 12th October 1883.)
