From J F FINLAY, Esq, Officiating Under Secretary to the Government of India, Department of Finance and Commerce (Pay and Allowances—Travelling Allowances), to the Comptroller, British Burma, dated Simla, 10th October 1883, No 3590

I am directed to acknowledge the receipt of your letter, No 4537-T A, dated the 10th September 1883, requesting an authoritative ruling on the following questions —

- (1) Whether steam launches, the property of Government or Local Funds, are "river steamers" or "boats" within the meaning of section 3 (h) of the Civil Travelling Allowance Code, and
- (2) Whether, under section 11 of the Civil Travelling Allowance Code, half the daily rate or half the mileage rate is admissible when a steam launch maintained by Government or by Local Funds provides an officer with the means of locomotion

2 In reply, I am directed to say that, for the purposes of the Civil Travelling Allowance Code, steam launches should be treated as "boats" and not as "river steamers", and that an officer travelling on duty, who is furnished with the means of locomotion by a steam launch maintained by Government or by a Local Fund may, under section 11 of the Civil Travelling Allowance Code, draw either half the daily or half the mileage rate of his class, at his option.
