12TH NOVEMBER 1883, No. 3185 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following paper:—

G.O., dated 26th October 1883, Miscellaneous No. 4305, Revenue.

Read—the following Proceedings of the Board of Revenue, dated 16th October 1883, Mis. No. 8593:—

Read—the following letter from N. A. ROUPELL, Esq., Collector of Anantapur, to the Secretary to the Board of Revenue, dated 8th October 1883, No. 474:—

In G.O., dated 19th September 1883, No. 2635 W., Public Works, it is stated that, for the present, it will be sufficient to undertake the construction of the following buildings at Anantapur:—

(1) House for Collector.
(2) House for Superintendent of Police.
(3) Taluk cutcherry.*
(4) Collector's cutcherry.

* Estimate sanctioned in G.O., No. 2200 W., dated 9th August 1883.

2. As it would appear that the most pressing needs of this station in the way of house and office accommodation are not correctly understood, I beg to be allowed to offer the following remarks.

3. Dealing first with the list of buildings in paragraph 1 above, I would observe that it was originally hoped that space sufficient for the Collector's establishment might be found in the present buildings. This idea has had to be given up, as a new Collector's office is necessary. After its construction, convenient accommodation can be found in the present buildings for—

(1) The taluk establishment.
(2) Taluk police station and lock-up.
(3) The registrar's office.
(4) The subsidiary jail.

4. Thus no new taluk cutcherry is wanted, and the amount of its estimate, viz., Rs. 27,300, is available for other purposes.

5. The District Forest Officer is now occupying a ruined house, the only one available, the roof of which is insecure and dangerous, and has to be supported by stout upright posts. The shelter it affords is most comfortless and scanty, and he has consequently been unable to have his wife and family with him here. I submit that this is a case deserving immediate attention.

6. The Inspector, Salt Revenue Department, is compelled to make Gooty his head-quarters, as there is no house here. It would be convenient if this want were supplied.

7. I trust, therefore, that there will be no objection to transferring the allotment for the taluk cutcherry to houses for the District Forest Officer and the Inspector, Salt Revenue Department.

Resolution—dated 16th October 1883, Mis. No. 8593.

Submitted for the orders of Government with reference to G.O., dated 27th September 1883, No. 3925, Revenue.

(A true Copy and Extract.)

(Signed) E. GIBSON,
Ag. Secretary.

Order—dated 26th October 1883, Mis. No. 4305, Revenue.

The Government are not prepared to entertain the proposal to construct a residence at Anantapur for the Salt Inspector. Such charges are, it is observed, debitable to Imperial funds.

2. The Collector's suggestion that suitable quarters should be provided for the District Forest Officer is approved and sanctioned, and the papers will now be transferred to the Public Works Department for the necessary orders.

(True Extract.)

(Signed) E. F. WEBSTER,
Secretary to Government.

ORDER—dated 12th November 1883, No. 3185 W., Public Works.

Communicated to the Superintending Engineer, Third Circle, who will submit a plan and estimate for a residence for the District Forest Officer at Anantapur.

2. Under the explanation afforded by the Collector, a new taluk cutcherry at that station will not now be needed.

An estimate for the work was sanctioned in P.G. No 2200 W of 9.8.83, but I have ascertained from the Exr's office that no outlay has been reported up to date.

The Collector ~~has~~ doubtless informed the local P.W. officers of his intended proposals to Govt.
