No. 278.

READ—the following letter from G. T. WALCH, Esq., Officiating Superintending Engineer, First Circle, to the Chief Engineer, Public Works Department, dated Chittivalsa, 18th January 1883, No. 587 V.Z. :—

When visiting the Potinghy Ghât work I found that it was highly advisable that the imprest of Supervisor Sergeant J. E. Patton should for a time be raised from Rs. 1,000 to 1,500, as Supervisor Vydialingum had been obliged to leave from ill-health and Sergeant Patton was the only cash-disburser from Sunki to the upper end of the ghât, the Executive Engineer and Assistant Engineer not considering it advisable to make temporary Overseers Paul and Sundaram Pillay cash-disbursers.

2. I therefore took on myself the responsibility of raising the imprest to Rs. 1,500 in anticipation of the sanction * of Government, which I trust you will obtain.

* See paragraph 1208 of the Code.
