Civil Works.

READ—the following letter from Colonel J. BEATTY, R.E., Superintending Engineer, Fourth Circle, to the Chief Engineer, Public Works Department, dated Coimbatore, 30th October 1883, No. 473 W.:—

I have the honor to forward, for sanction, a revised estimate of Rs. 2,650, with a duplicate abstract estimate, for converting a portion of the existing cistern into a boys' plunge-bath at the Lawrence Asylum, Ootacamund.

2. An estimate, amounting to Rs. 2,180, was sanctioned in G.O., No. 1310 W., of 23rd May 1881. The length of the work, according to the original estimate, was 59 feet, and this was lengthened to 109 feet at the request of the Principal of the Asylum; hence the necessity for the revised estimate.

3. The causes of the excess of Rs. 470 over the original estimate are explained in the accompanying comparative statement and report.

4. I have pointed out to the Executive Engineer that his action in making such a serious alteration in the work, and one likely to cause considerable excess in the cost, without sanction to a revised estimate, was most irregular, and should be avoided in future.

ORDER—dated 12th November 1883, No. 3209 W., Public Works.

The revised estimate, amounting to Rs. 2,650, for converting a portion of the existing cistern into a boys' plunge-bath at the Lawrence Asylum, Lovedale, is sanctioned.

2. The excess of Rs. 470 over the original estimate of Rs. 2,180, sanctioned in G.O., No. 1310 W., dated 23rd May 1881, is explained in the Superintending Engineer's letter above recorded.

3. This sanction has been registered as Imperial Ordinary No. 42 W. of 1883-84 and classified as Military, Original Works. Imperial No. 7 B. of 1881-82 is cancelled.
