READ—the following paper:—

From Major S. C. CLARKE, R.E., Officiating Superintending Engineer, Third Circle, to the Chief Engineer, Public Works Department, Madras, dated Bellary, 9th November 1883, No. 2259:—

I have the honor to submit an estimate (amount Rs. 1,170) for carrying out emergent repairs to the divisional office at Cuddapah, and request that full appropriation may be made for it.

2. To meet this estimate there is a balance of Rs. 540 available from the current year's grant under Minor Original Works, Provincial, and a saving of Rs. 528 has been effected from the estimate for the Kadiri cutcherry, item No. 20 in the statement appended to G.O., No. 1641 W., of 12th June 1883, so that there is only a small balance of Rs. 102 to be appropriated.

3. The Executive Engineer has, since submitting this estimate, reported the fall of a portion of the building, during a late heavy storm of rain, so that I have authorised his commencing all urgent work of restoration at once.

ORDER—dated 14th November 1883, No. 3231 W., Public Works.

The estimate, amounting to Rs. 1,170, for improving the divisional office at Cuddapah, is sanctioned against the minor works grant of the Cuddapah division.

2. The saving of Rs. 528, from the grant made in G.O., No. 1641 W., of the 12th June 1883, for the taluk cutcherry at Kadiri, is resumed, and re-alloted to the Cuddapah division, to augment the minor works grant made to the division.

3. This sanction has been registered as Provincial No. 159 W. of 1883-84, and classified as Civil Buildings, Original Works.
