

PROCEEDINGS OF THE BOARD OF REVENUE.

READ—the following letter from G. D. LEMAN, Esq., President of the Local Fund Board, Coimbatore, to the Secretary to the Board of Revenue, dated 7th October 1882, No. 56 :—

I have the honor to submit herewith the Local Fund Budget of the Coimbatore Circle for 1883-84.

1. Regular Estimate of Receipts for 1882-83.
2. Do. of Expenditure for 1882-83.
3. Budget Estimate for 1883-84.
4. List of Grants with subsequent additions, &c., for 1882-83.
5. List of Establishments (will follow).
6. Road Map (will follow).

2. REGULAR ESTIMATES FOR 1882-83
—*Receipts*.—The total receipts for the year, including the opening balance, are now estimated at Rs. 4,00,065 against a budget estimate of Rs. 3,71,860. Of this, Rs. 17,717 are due to the actual opening balance of Rs. 1,20,177 which was estimated to be Rs. 1,02,460.

Omitting the opening balance the estimates are Rs. 2,79,888 against a budget estimate of Rs. 2,69,400, and the difference is due chiefly to the probable increase in collection of Land-cess and Market leases.

3. The Land-cess demand for the year was as follows :—

								RS.
Arrears	..	..	..	..	..	..	..	1,36,938
Current	..	..	..	..	..	..	..	1,96,000
Total ..								3,32,938

Of the arrears, Rs. 42,252 have been recommended to be written off and Rupees 42,472 had been collected by the 31st August 1882, leaving a balance of Rs. 52,214.

							RS.
Arrears	..	..	..	..	..	..	28,500
Current	..	..	..	..	..	..	1,23,550
Total ..							1,52,050

The amount collected up to the said date out of the current demand was Rs. 5,478, and the balance to be collected is Rupees 1,90,522. Of these balances, Rs. 1,52,050 as per margin are expected to be collected during the remainder of the current year. The total collection for the year is therefore expected to be Rs. 2,00,000.

4. The increase of Rs. 7,724 under the head Markets is reasonably expected in consequence of an actual increase in the market-rents, and also with reference to the arrears to be collected. The other items do not call for any special remarks.

5. *Charges—Grant I.*—The difference between the estimates and the sanctioned budget is due to subsequent sanctions—*vide* list of grants.

6. *Grant II—Item (a).*—On the recommendation of the Director of Public Instruction and with reference to G.O., dated 14th April 1882, No. 379, the Local Fund Board have resolved to appoint two additional Inspecting Schoolmasters on Rs. 25 and a travelling allowance of Rs. 15 each per mensem, and the amount of Rs. 480 over the budget is for their salary, &c., for six months—*vide* letter to Board, dated 6th June 1882, No. 34, submitted through the Director of Public Instruction.

7. *Item (c)* is for providing an increased salary for sixty Combined-system Schoolmasters—*vide* letter No. 34 above quoted.

8. The increase of Rs. 1,000 above the budget in the item "Miscellaneous" is for providing furniture for the said sixty schools—*vide* letter No. 34 above quoted.

9. *Item (e), Contribution to Provincial Funds.*—This is the amount provided for six months on account of contribution at Rs. 63-8-0 per mensem towards the pay of the additional Deputy Inspector to be appointed for the district—*vide* the letter above referred to.

10. *Grant III—Item (f), Contingencies.*—The amount of Rs. 5,000 appearing against this item is a subsequent sanction—*vide* list of grants.

11. *Item (g).*—Rupees 50 in excess of the budgeted charge is for the salary of the servant and the contingent charges of the Chinna Dhárápura Chattram—*vide* Revenue Board's Proceedings, dated 23rd May 1882, No. 3702.

12. The allotment for bungalow contingencies and diet of lunatics has been curtailed with reference to probable requirements and the actual expenditure of the past months. With reference to G.O., dated 1st February 1882, No. 198, the allotment for Vaccine agency has been withdrawn.

13. The allotment for contribution to the Coimbatore Municipality for their Civil Dispensary has been reduced with reference to the actual requirements.

14. *Grant IV* calls for no remarks. But the distribution of the cost of the general management has been charged and the charge apportioned amongst all the various funds according to income. This is following the course approved in last budget in regard to the Engineering Establishment.

15. The total estimated expenditure is Rs. 3,47,746 against the budget allotment of Rs. 3,48,960. Deducting the former from the estimated receipts there is a gross closing balance of Rs. 52,319 as against a budgeted balance of Rs. 15,960, and this gross balance is made up of as follows:—

	RS.
Road Fund	91
Endowment Fund	28,204
General Fund	24,024
Total ..	52,319

The sum of Rs. 91 is not worth notice. Rs. 1,524, General Fund, is retained as a reserve for subsequent allotment during the rest of the year, and the net closing balances to be carried to the credit of the budget for 1883-84 are—

	RS.
Road Fund	28,200
Endowment Fund	22,500
General Fund	50,700
Total ..	50,700

16. *BUDGET FOR 1883-84—Receipts.*—The above figures are accordingly entered as the opening balance of 1883-84.

17. The estimated receipts from all sources, excluding the opening balances, amount to Rs. 2,78,830 against the current year's budget estimate of Rs. 2,69,400. The chief items that call for remarks are—

- | | |
|-------------------------|-------------------|
| (1) Surplus Pound Fund. | (4) School-fees. |
| (2) Land-cess. | (5) Market-rents. |
| (3) Tolls. | |

Item (1).—The Surplus Pound Fund has been estimated with reference to the actual receipts.

Item (2).—The arrears of Land-cess likely to be outstanding at the beginning of the year amount to Rs. 90,686—*vide* paragraph 3, *supra*. Adding to this the demand falling due within 1883-84, viz., Rs. 1,96,000, the total demand for the year will be

Rs. 2,86,686. The collections on this amount are estimated at Rs. 1,97,800, being 75 per cent. of the arrears and 66 per cent. of the current demand by calculations made in the current year's regular estimate.

Item (3).—As directed in paragraph 6 of the Revenue Board's Official Memorandum, No. 1124, dated 11th September 1878, the names of the toll-gates, the income expected from each gate and the particulars of the Local Fund share of the tolls levied by Municipalities are given below:—

	RS.
From Coimbatore Municipality	5,000
Do. Erode do.	730
Do. Karúr do.	1,200
Total ..	6,930

The increase of Rs. 500 observable under this item is due to the proposed Municipal contribution for which I have no explanation from them.

Item (4).—Rupees 1,000 are estimated to be collected from sixty schools to be placed on the new combined system explained in this office No. 34, dated 6th June 1882, referred to above; *vide* also Revenue Board's Proceedings, dated 19th April 1882, No. 1067, paragraph 12.

Item (5).—The estimate for this item is obtained by taking the probable collection of leases already made for the current year and the balances likely to remain at the beginning of next year.

18. The receipts of the year, including the opening balance, are therefore estimated at Rs. 3,29,530, which is divided as follows:—

	RS.

Endowment Fund	69,840
General Fund	93,090
Total ..	3,29,530

19. *Expenditure—Grant I, Communications.—New Works.*—The amount of Rs. 6,000 provided under this head is to complete the construction of two roads; one from Mathampetty to Thondamuthoor, and the other from Polláchi to Pálghat *via* Meenkarai, entered as Items 1 and 3 in Statement II-A in the current year's budget as they cannot be completed in the current year and that amount of their allotments has been surrendered for this year.

These roads are five of the forty roads temporarily abandoned by the Board in 1880-81—*vide* G.O., Financial Department, No. 1896, dated 5th October 1881, communicated with Board's Proceedings, No. 2570, dated 31st October 1881.

	RS.

Total ..	1,06,890

Engineering Establishment.—The increase of Rs. 180 is for the travelling allowance of a third Supervisor. Application will follow.

21. With reference to G.O., dated 14th April 1882, No. 335 I, Public Works, Rs. 11,710 are provided for contribution for the road on the bund of the Chittrachavady tanks and channel.

22. The share debitable to Road Fund for Engineering Establishment, Tools and Plant, Contingencies and General Establishment is Rs. 23,200, and the Road Fund reserve is Rs. 16,660.

Thus the total expenditure for maintenance, &c., is Rs. 1,64,680. Deducting this from the total receipts of Rs. 1,66,600, there is a closing balance of Rs. 1,920 under Road Fund.

23. *New Works—Civil Buildings.*—The present hospital building at Mettupálaiyam is utterly unsuited for the purpose for which it is intended, and it is proposed to allot Rs. 1,000 for constructing a new building.

Rupees 440 are provided for a compound wall to the dispensary at Kollegál and for building a latrine.

Rupees 780 are allotted for constructing a tiled shed at Dhimbun in addition to Rs. 1,000 provided in the current year's budget, as this sum is found insufficient for the most suitable building for the place. Rs. 320 are for erecting latrines, &c., in certain choultries.

24. *Repairs—Civil Buildings.*—Of the sum of Rs. 5,000 provided under this head, Rs. 4,020 are to meet proposals for repairs already received. The remainder Rs. 980 will be used as emergencies arise.

27. *Grant II.*—The total estimated expenditure under this head is Rs. 28,340 against the current year's budget estimate of Rs. 22,520, and the difference is explained below.

The increase of Rs. 1,040 observable under Item (a) is for the salary, &c., of the two additional Inspecting Schoolmasters to be appointed to the circle.

Under Item (b) no provision is made for stipends of female students in the Coimbatore Normal School as it has been decided that young men and women cannot be taught together and there is no room in the building for their separate accommodation. Hence the decrease of Rs. 120.

Item (c), Local Fund Schools.—Provision has been made for sixty Combined-system Schools including those at Kangyam and Palladam, and the details of the allotment are given in the Statement No. 3 of the budget. The result grant has also been increased from Rs. 3,200 to Rs. 4,000.

Item (d), Grants-in-aid.—With reference to the actual expenditure for 1881-82 and for the past five months of the current year, it is proposed to raise the amount of result grants from Rs. 7,500 to Rs. 8,000.

29. *Grant III, (a) Hospitals and Dispensaries.*—The estimated expenditure under this head is Rs. 14,720 against the current year's budget allotment of Rs. 13,300, and the reason for the increase is explained below.

At the instance of the Civil Surgeon, Coimbatore, an increase at Rs. 25 per mensem has been added to the pay of each of the Civil Apothecaries at Kollegál, Bhaváni, and Mettupálaiyam from July next, from which month it is stated they will become entitled to the increased rate of salary. Rs. 360 is provided for the salary of a Hospital Assistant to be attached to the minor dispensary to be opened at Aravakurchi in the Karúr Taluk. Aravakurchi is a Deputy Tahsildar's station; Karúr Dispensary is the nearest—18 miles away. It is on a much frequented road from Dindigul and it is close to the large Labbai village of Pallapatti. On the recommendation of the Sub-Collector it is proposed to establish a minor dispensary there, and Rs. 340 are also provided for medicine and contingent, &c., charges.

30. The details of the establishment for the nine dispensaries are given in the annexed table:—

For all the Dispensaries, except the one at Pollachi, only a Toty is allowed on Rs. 3 per mensem. He will do both the duties of a Sweeper and Toty.

For all the Dispensaries, except the one at Pollachi, only a Toty is allowed on Rs. 3 per mensem. He will go both the districts and Cuddalore.

32. With reference to Revenue Board's Proceedings, No. 1067, dated 19th April 1882, and this office No. 40, dated 27th August 1882, Rs. 400 are provided for the pay of two midwives to be attached to Kollegal and Dhárápura Dispensaries at Rs. 15 each per mensem and for their travelling allowances.

33. Rupees 18,950 are provided for sanitation against the current year's budget allotment of Rs. 21,000. The state of funds does not admit of any additional amount : the allotment is not, however, less than the percentage prescribed by the Board of Revenue in their Proceedings, dated 13th May 1882, No. 1315.

34. *Item (f), Markets.*—An increase of Rs. 1,450 over the current year's budget is provided for additional servants to be attached to certain important markets; Rs. 1,000 are also allowed for contingencies.

Rs. 1,000 are also allowed for contingencies.

35. *Item (g), Choultries.*—A provision of Rs. 60 has been made for the pay of the servant sanctioned for the Chinna Dhārāpuram Chattram and for contingent charges. Rupees 720 are also provided under Contingencies for the purchase of brass vessels to be kept in certain chattrams for the use of travellers.

36. *Item (h), Bungalows.*—There are twenty-three bungalows in the circle. Of these it has already been proposed * to give up eight, but the Local Fund Board have on reconsideration resolved to retain the one at Karúr and to make no provision for the remaining seven. So sixteen bungalows are provided for in the budget. An increase of Rs. 2 to the salary of the servant attached to the Palladam Bungalow is also provided with reference to this office No. 49, dated 14th September 1882.

37. Contribution for Controlling Establishment at the Presidency has been provided with reference to Revenue Board's Proceedings, No. 49, dated 14th September 1882, and with reference to G.O., No. 198, dated 1st February 1882, no provision has been made for contribution on account of Vaccine agency. Rs. 100 is provided for dieting &c., of lunatics. The other items call for no remarks.

The total expenditure thus arrived at is Rs. 3,11,170. Adding to this the General Reserve of Rs. 7,060, being 10 per cent. of the General Fund receipts, the total is Rs. 3,18,230. Deducting this from the total receipts of Rs. 3,29,530, the closing balance is Rs. 11,300, and this balance is distributed as follows:—

Road Fund	..	..	..	..	..	..	..	Rs.

READ—the following letter from Surgeon A. J. STURMER, Secretary to the Surgeon-General with the Government of Madras, to the Secretary to the Board of Revenue, dated Madras, 8th November 1882, No. 5839:—

I have the honor, by desire of the Surgeon-General, to report to your Board that the allotment made in Grant III of the 1883-84 Local Fund Budget Estimate of the Coimbatore Circle for the maintenance of the nine dispensaries including the new unauthorized institution proposed to be opened at Aravakurchi is sufficient and calls for no remarks, save in the item of "Medical Subordinate."

2. A sum of Rs. 600 is provided for the three-fourths of the pay, &c., of each of the Civil Apothecaries attached to the marginally-noted dispensaries. It should be raised to Rs. 620 in round number. The Medical Subordinates referred to will be entitled to charge allowance of Rs. 25 per mensem from 1st July 1883.

READ—the following letter from G. D. LEMAN, Esq., President of the Local Fund Board, Coimbatore, to the Secretary to the Board of Revenue, dated 10th November 1882, No. 64:—

In continuation of this office No. 56, dated 7th October 1882, I have the honor to forward a list * of the fixed establishments and a road map revised in accordance with the lines of roads entered in the budget for 1883-84.

READ—the following letter from Deputy Surgeon-General M. C. FURNELL, M.D., F.R.C.S., Sanitary Commissioner for Madras, to the Secretary to the Board of Revenue, dated 14th November 1882, No. 1012:—

I have the honor to report that a provision of Rs. 18,950 or 28.7 per cent. of available income has been made by the Local Fund Board, Coimbatore, for the sanitary requirements of the circle. This, though less than the grant for the current year by Rs. 2,050, may be accepted. It is reported that the state of the funds does not admit of a larger allotment being made. Here, again, I observe that the sanitary grant has been cut short owing to the want of funds. I approve generally of the distribution of the allotment which is as follows:—

Improvement of Water-supply	...	...	...	...	Rs.
Do. of Village-sites	...	...	...	...	2,000
Scavenging Establishments	...	...	...	...	500
Other Sanitary Outlay	...	...	...	...	11,450
					5,000
Total ...					18,950

2. The vaccination grant is the same as that for the current year, viz., Rs. 8,330. The staff employed appears to be adequate.

RESOLUTION—dated 4th December 1882, No. 3000.

The Local Fund Budget Estimate of the Coimbatore Circle for 1883-84 is herewith submitted for the orders of Government.

REGULAR ESTIMATE FOR 1882-83.

2. *Receipts.*—The opening balance, Rs. 1,20,177, agrees with the figures advised by the Accountant-General and is distributed among the minor funds as under:—

Road Fund	...	...	...	...	...	...	...	Rs.
Endowment Fund	...	...	...	...	...	...	...	29,350
General Fund	...	...	...	...	...	...	...	46,090
								44,737
Total ...								1,20,177

The increase over the anticipated balance in the budget is due to short expenditure under all heads in 1881-82. The revenue from *Land Cess* is put down at Rs. 2,00,000 against the budget estimate of Rs. 1,97,000. Out of a total demand of Rs. 3,32,938, only 60 per cent. are expected to be realized. Efforts should be made for collecting a larger proportion of the demand, both current and arrears. Rs. 42,252 are stated to have been recommended to be written off. No such application has yet been received in this office. The President is requested to furnish full details of the amount. The increased receipts from markets are due to larger income from *Market Rents* and to the expected collection of arrears. The variations in the other items are unimportant and do not require to be noticed. The total assets are—

Road Fund	...	...	...	...	...	...	...	Rs.
Endowment Fund	...	...	...	...	...	...	...	1,96,948
General Fund	...	...	...	...	...	...	...	87,806
								1,15,311
Total ...								4,00,065

3. *Expenditure.*—Only Rs. 37,198 out of an allotment of Rs. 42,998 are expected to be spent on new roads. The additional appropriations for "New Works—" "Civil Buildings" and "Miscellaneous Public Improvements"—accord with the amounts sanctioned by the Board. The assignment for road repairs is Rs. 1,02,048 against the budget grant of Rs. 99,340, the difference, Rs. 2,708, having been duly sanctioned by the Board from the Road Fund Reserve. For the repair of "Civil Buildings," the budget figure is repeated, and the provision for "Miscellaneous Public Improvements" has been enhanced by Rs. 10,000, with reference to Board's Proceedings, dated 3rd June 1882, No. 1442. The unallotted portion of the Road Fund Reserve is Rs. 2,414, and this amount has been entered in the regular estimate. Rs. 30,000 have been provided for payment to Provincial Funds on account of famine expenditure. The provision for Education has been raised by Rs. 4,000. It is stated that proposals have been submitted for increasing the Inspecting Staff and for improving the condition of Local Fund Schoolmasters. The scheme has not yet been received as already intimated to the President in Board's Proceedings, dated 5th September 1882, No. 5142, R.S. It must necessarily take some time more before it is sanctioned and will not probably be brought into operation till next year. The increased provision will therefore be struck out and the budget figures repeated. The increase under Grant III is due principally to Rs. 5,000 transferred from the provision of Rs. 40,000 under Grant I for improving markets to meet the contingent charges of these institutions. A sum of Rs. 180 for Presidency contingencies is provided under Grant IV.

The President is requested to explain what the item represents. The lump provision of Rs. 1,524 to meet future allotments is struck out, and the President's attention is drawn to the remarks at paragraph 4 of Board's Proceedings, dated 15th December 1881, No. 3278. The unallotted portion of the General Fund Reserve will be entered. In paragraph 14 of his letter the President states that the cost of general management has been distributed among the three minor funds. Under Local Fund Rule, No. 21, only the Road Fund is chargeable with a proportionate share of this cost. The balance is debited to the General Fund, and no portion to the Endowment Fund. The necessary corrections have been made. The following is an abstract of the regular estimate as revised by the Board:—

BUDGET ESTIMATE.

4. *Statement I-A, Revenue and Receipts.*—The income from *Land Cess* is estimated at Rs. 1,97,800 against Rs. 1,97,000 in the budget and Rs. 2,00,000 in the regular estimate. The President's estimate is based on the expectation that three-fourths of the arrear demand of Rs. 90,686 and two-thirds of the current demand of Rs. 1,96,000 will be realized during the year. There is no apparent reason why a larger percentage of the demand should not be collected, especially as Rs. 42,252 of the outstanding arrears are set down as irrecoverable and have not been brought forward in the arrear demand of the ensuing year. The Board believe that the Land Cess estimate may fairly be raised to Rs. 2,20,000. The President is requested to report whether there is any objection to this being done. *Tolls* are expected to yield Rs. 28,730 or Rs. 466 more than in the current year's regular estimate. Of the total amount, Rs. 6,930 will be contributed by the three Municipalities in the circle. It

is proposed in the ensuing year to credit to Local Funds all fees collected in schools instead of allowing the masters to appropriate them as heretofore without bringing the receipts to account. Hence Rs. 1,100 are expected from this source against Rs. 100 in the current year. The only other item of receipt in which there is any noteworthy variation is that of Market Rents, which is set down at Rs. 35,180 against Rs. 27,460 in the current year's budget, but the former amount corresponds with the regular estimate. The total assets are—

5. *Statement B, Expenditure—Grant I, Public Works.*—Under "New Works," Rs. 6,000 are provided against Rs. 35,250 in the current year's budget. Of this amount, the sum of Rs. 2,000 is for completing the road from Mathempetty to Thondamutthur which appeared as item No. I in Part I of the current year's budget and the sum of Rs. 4,000 is for the reconstruction of the road from Pollachi to Pálghat *via* Meenkarai taken up under the road administration scheme sanctioned in G.O., dated 5th October 1881, No. 1896, Financial Department. The President is requested to submit for the sanction of Government the estimate for the latter work for which Rs. 22,000 are provided in the current year and Rs. 4,000 in the ensuing year. Rs. 2,540 and Rs. 25,000 are provided for "Civil Buildings" and "Miscellaneous Public Improvements," respectively. Of the former, Rs. 1,000 are for constructing a new building for the Mettupálaiyam Hospital and Rs. 780 for constructing a tiled shed for travellers at Dhimbam in addition to Rs. 1,000 provided for it in the current year's budget. The President should submit an estimate for the choultry at Dhimbam. Rs. 25,000 under "Miscellaneous Public Improvements" are for building market sheds. The names of the markets on account of which this expenditure is proposed to be incurred and the amount assigned to each should have been stated. Rs. 1,06,890 are provided for road repairs against Rs. 99,340 in this year's budget, the increase being due to the rates of maintenance allowance of some roads having been raised and to five roads abandoned temporarily being brought under maintenance. The sum of Rs. 5,000 provided for repairing chattrams and wells attached to them includes a reserve of Rs. 980 for further allotment. This latter amount will be struck out and the assignment reduced to Rs. 4,020, the General Fund reserve being intended to meet all such unforeseen expenditure. Of the sum of Rs. 12,150 entered under "Miscellaneous Public Improvements," Rs. 10,000 are for repairing markets and Rs. 2,150 for the maintenance of avenues. The cost of the "Local Fund Engineering Establishment" is put down at Rs. 25,380, or Rs. 180 in excess of the budget. The President states that the excess provision is intended to meet the travelling allowance of the third Supervisor recommended for the sanction of Government in Board's Proceedings, dated 23rd October 1882, No. 2565, but the provision is disallowed with reference to paragraph 2 of those Proceedings. A sum of Rs. 11,710 is provided as contribution for the road on the bund of the Chittrachavady channel. The share of the cost of the Engineering Establishment and that of General management chargeable to the Road Fund should be Rs. 18,170 and Rs. 3,930, respectively. The total Road Fund expenditure amounts to Rs. 1,64,660, leaving a balance of Rs. 2,910. Rs. 9,695 are still due on account of Famine debt, but the available balance being very small, the adjustment of the remainder of the debt must, for the present, be postponed.

6. *Grant II, Education.*—The proposed outlay on education amounts to Rs. 23,340 against Rs. 22,520 in the current year's budget. The increase is due to the reasons mentioned in the regular estimate. Pending the submission of the new scheme and the remarks of the Director of Public Instruction on this portion of the budget, the provision will be left untouched.

7. *Grant III, Medical and Sanitary.*—The cost of "Hospitals and Dispensaries" is estimated at Rs. 14,720 against Rs. 13,300 in the budget. The excess expenditure is due to provision having been made for charge allowance to the Apothecaries attached to the Mettupálaiyam, Kollegál and Bhaváni dispensaries for the increased rates of salary to the Hospital Assistants in charge of the Palládam and Udamalpet dispensaries, and for the establishment required for the minor dispensary proposed to be opened at Aravakurchi in the Karúr Taluk. The sanction of Government is requested for the opening of this institution. Referring to paragraph 2 of the Surgeon-General's letter read at head remarking on the provision in the budget for medical purposes, it is observed that as the charge allowance to the Apothecaries is due from 1st July, only eight months' allowances are provided for by the President, the allowance for March 1884 being payable in the following official year. The provision for midwives has been raised from Rs. 480 to Rs. 880, as it is proposed to employ two more midwives. The allotment for "Vaccination" is the same as that for the current year, and the Sanitary Commissioner considers the provision adequate. Owing to paucity of funds, the allotment for "Sanitation" has been reduced from Rs. 21,000 to Rs. 18,950. The Sanitary Commissioner states that the provision may be accepted and that he approves of its distribution. The increase in the allotments for the upkeep of markets,

Coimbatore—12 Sweepers at Rs. 5 each.
Erode —10 Sweepers 8 at " 3 each and 2 at " 4 "
Satyamangalam—1 Sweeper at Rs. 5
Bhaváni —3 Sweepers at " 4 each
Palládam —2 " at " 5 "

Kollegál —1 " at " 5 "

choultries and public bungalows is explained in paragraphs 34, 35 and 36 of the President's covering letter to the budget. The additional servants provided for some of the important markets in the marginally-noted taluks are sanctioned. The Local Fund Board now desire to retain the Public Bungalow at Karúr which they had previously resolved to give up—Board's Proceedings, dated 22nd April 1881, Miscellaneous No. 4134. A sum of Rs. 1,390 is provided on account of Vaccine Inspecting Agency, as it is probable the new organization of Assistant Surgeons may be brought into operation in the ensuing year.
