GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

Read—the following papers :—

From J. H. TAYLOR, Esq., Lieut., R.N.R., Master Attendant, Administrative Department, Madras, to the Acting Chief Secretary to Government, dated Madras, 26th September 1883, No. 9417.

In G.O., No. 2844 W., Public Works, dated 30th October 1882, the Government were pleased to sanction the following sums for works in connection with the Madras harbour :—

	RS.
Palissading	4,500
Sheds	36,000
Jetty	23,920
Total ...	64,420

Subsequently, in G.O., No. 158 W., Public Works, dated 16th January 1883, Rs. 16,010 were sanctioned for constructing the sheds, viz., two in number, on the foreshore of the Madras harbour; and I have the honor to report the completion of both buildings at an actual cost of Rs. 16,996-1-0, or Rs. 986-1-0 in excess of the sanctioned amount. This was owing to several little things having been improved upon to suit better the purposes they are intended for, and to complete the fitting up of the sheds and offices; and the necessary office furniture has also been supplied at a cost of Rs. 120. I have now respectfully to solicit the sanction of Government to the excess expenditure of Rs. 1,106-1-0, which is to be met from the original allotment of Rs. 36,000 for the sheds.

No. 1945, Marine.

Transferred to the Public Works Department with reference to G.O., No. 158 W., dated 16th January 1883, for sanction.

2. The original allotment spoken of is, more correctly speaking, the approximate estimate for the sheds.

3. On receipt of an order sanctioning the revised estimate, the necessary appropriation from Port funds will be made.

Ootacamund,
5th October 1883.

(Signed) E. F. WEBSTER,
Acting Chief Secretary.

From J. H. TAYLOR, Esq., Lieut., R.N.R., Master Attendant, Administrative Department, Madras, to the Secretary to Government, Public Works Department, dated Madras, 13th October 1883, No. 9977.

With reference to your No. 429 E., dated 8th October 1883, I have the honor to submit revised estimates for the two sheds constructed on the foreshore of the Madras harbour at the total cost of Rs. 17,116-1-0, for which sanction is now required.

Order—dated 16th November 1883, No. 3256 W., Public Works.

The work of constructing two sheds on the foreshore of the Madras harbour having been completed at a total cost of Rs. 16,996, the excess expenditure of Rs. 986, over the estimate of Rs. 16,010, sanctioned in G.O., No. 158 W., dated 16th January 1883, will be accepted. Formal sanction to a revised estimate is unnecessary under paragraph 1114 of the Public Works Code.

2. The sum of Rs. 120 expended in the purchase of office furniture and stationery articles should be charged to office contingencies.

3. The additional allotment of Rs. 986 required will be sanctioned in the Financial Department.

Read—the following paper :—

From J. H. TAYLOR, Esq., Lieut., R.N.R., Master Attendant, Madras, to the Acting Chief Secretary to Government, dated Madras, 9th October 1883, No. 9858.

Administrative Department.

In G.O., Marine, No. 332, dated 25th June 1883, the Government were pleased to sanction an estimate for Rs. (912) nine hundred and twelve, for making certain alterations in the Custom House in connection with arrangements for levying harbour tolls on goods, and I have to report the completion of the work, which, owing to the addition of a gate specially required by Mr. Barlow, has cost Rs. (146) one hundred and forty-six in excess. This can be met from the unavailed of balance of Rs. (36,000) thirty-six thousand sanctioned for the beach sheds, and I have respectfully to solicit the sanction of Government to the same.

Order—dated 18th October 1883, No. 507, Marine.

The excess expenditure is sanctioned. It should be met from port funds, but there is no occasion to debit the charge nominally against an approximate estimate for another work, as proposed by the Master Attendant.

NOTE OF REMARKS.

1. The accompanying revised estimates of two sheds connected with the Madras Harbour, have been submitted by the Master Attendant, and together amount to Rs. 16,996-1-–, which is indeed the sum stated to be spent on the now completed works.

2. The original, sanctioned in G.O. No. 1581 W. of the 16th Jan/83 amounted to Rs. 16,010, the excess of revised over original estimates Rs. 986-1-– is, to a certain extent explained in the Master Attendant's letter 9417 of the 26th Sept/83; and this explanation, in the absence of a comparative statement, and the original estimate and plan, must be accepted.

3. Rs. 120 have been allotted in the revised estimate for chairs, penknives &c, this entry is a mistake – a bill

should have been submitted for these items. This sum is not included in the amount, Rs. 16,996-1--
