No. 24. *From Major H. WYLIE, C.S.I., Assistant to the Resident in Mysore, to Colonel E. L. HANKIN, Secretary to Government, Military Department; dated Camp Periapattam, 20th October 1883, No. 1595-744.*

With reference to your letter, No. 4247, dated 4th September 1883, requesting that steps may be taken to obtain possession, on behalf of the Madras Government, at a fair valuation, of a piece of land and two wells at Ulsúr, I am directed by the Officiating Resident to forward the accompanying copy of letter, No. 1555, dated 13th instant, from the President, Municipal Commission, Bangalore, and of the extract from the Proceedings of the Municipal Commission therein referred to.

2. As the President of the Municipality reports that the ground and two wells will be made over to the Military authorities on payment of Rs. 614, which is stated to be a reasonable amount, I am directed to request that the above sum may be remitted for payment to the municipality.

From Major E. P. MALTBY, President, Municipal Commission, Civil and Military Station, Bangalore, to the Assistant to the Resident in Mysore; dated Bangalore, 13th October 1883, No. 1555.

Referring to your letter, No. 1281-96, dated 10th ultimo, I have the honor to enclose an extract from the Proceedings of the Municipal Commission, dated 29th idem, para. 7, and to observe that the price fixed for the ground and two wells at the Ulsúr Dhobies' Ghât required by the Military authorities is reasonable.

The original estimate amounted to Rs. 663; deducting therefrom the value of trees amounting to Rs. 49, now ascertained to belong to the Military department, the actual cost of the ground and two wells amounts to Rs. 614.

On payment of the above amount, the ground and two wells referred to will be made over to the Military authorities.

EXTRACT from the Proceedings of the Municipal Commission, Civil and Military Station of Bangalore; dated 29th September 1883.

Disposal of land and two wells at the Ulsúr Dhoby Ghât.

11. Read letter, No. 1281-96, dated 10th September 1883, from the Assistant to the Resident, relating to the disposal of the land and two wells at the Ulsúr Dhoby Ghât, to the Madras Government.

Colonel Burton asks that the price set on the land be reduced to Annas 1-8 per square yard. The President points out that the municipality will have to buy land elsewhere for a well, and will hardly get it at Annas 1-8 per square yard. The Board resolves to adhere to the rate (Annas 4-0 per square yard) asked for.

It is resolved that the sum of Rs. 42, and Rs. 7 entered in the estimate for trees, &c., be struck off, the trees not being municipal property.

On Mr. Campbell's proposal, it is resolved that the wells be not parted with till actually paid for, as it will be necessary to supply another well for the public.
