Read the following paper:—

No. 9. *From* Colonel G. CHESNEY, *Secretary to the Government of India, Military Department, to the Chief Commissioner, Central Provinces; dated Simla, 11th October* 1883, *No.* 1558-S.D.

Horses—Forage.

I am directed to acknowledge the receipt of your letter, No. 2742-141, dated the 27th June 1883, soliciting the orders of the Government of India on the question whether, under the present system of decentralization of finance and the debiting of charges to appropriate heads of account, an appropriate charge should not be debited to the Military Department when grass preserves are made over rent-free to the cavalry, the particular case under reference being the proposed allotment of a new *bir* to the cavalry regiment at Saugor.

2. In reply I am to inform you that the Government of India have decided that no rent shall be charged for the *birs* at Saugor, and that as a general rule the Military Department should not be required to pay for any land, already the property of Government, required permanently or temporarily by that department. If, however, the land required is not wholly the property of Government, then the Military Department should pay the cost of compensating the owners or others interested in it. If a question arise in any case regarding compensation to a local Government for loss of revenue, the question of the adjustment between Imperial and Provincial Governments can be settled on its merits.

3. In cases where, as at Saugor, the land has always been held rent-free, any claim to compensation by the local Government is barred by Clause 10, Rule 1, published with the Resolution by the Financial Department, No. 1709, dated the 22nd March 1877.

No. 1558-S.D.

Copy forwarded to the Secretary to the Government of Madras, Military Department, for the information of His Excellency the Governor in Council.
