READ—the following letter from Lieutenant-Colonel A. FILGATE, R.E., Deputy Secretary to the Government of India, Public Works Department (Account—Establishment), to the Secretary to the Government of Madras, Public Works Department, dated Simla, 22nd September 1883, No. 153 A.E. :—

In reply to your endorsement, No. 1861 W., dated 4th July 1883, I am directed to state that, under a recent decision by the Government of India, the orders on which will issue in due course, Messrs. Wolfe, Foston and Wheeler, accountants, may be drafted into the Railway Account Establishment, retaining their claims to pension, on the service of accountants being needed for lines under construction.

2. In regard to Mr. Maddox, I am to say that he has had no experience in State Railway Accounts, and is not a suitable officer for the head accountantship of a Railway Accounts Office. When construction is sanctioned, endeavours will be made to post to the Examiner's office a suitable head accountant from the Railway Accounts Establishment.

ORDER—dated 8th October 1883, No. 2828 W., Public Works.

Communicated to the officers concerned for information and guidance.
