Read—the following letter from Major H. WYLIE, C.S.I., Assistant to the Resident in Mysore, to the Secretary to the Government of Madras, Public Works Department, dated Camp Mercara, 26th November 1883, No. 1823-876 :—

With reference to your letter, No. 2795 W., dated 5th October 1883, on the subject of completing the scheme for the water-supply of Bangalore, originated by Major-General Sankey in 1868, I am directed by the Officiating Resident to forward, herewith, copy of a letter, No. 30, dated the 16th instant, from the Dewan of Mysore, from which it will be seen that the Mysore Durbar have gladly accorded their permission to the officer appointed by the Madras Government carrying on the necessary surveys in Mysore territory, and that Captain Kensington, the Mysore Public Works Secretary, has been requested to give every assistance to the Madras officer.

2. With reference to the 4th paragraph of your letter, I am to say that the number of inhabitants of the Bangalore pettah, for whose supply provision will have to be made under the proposed scheme, will be communicated to you as soon as it is reported by the Mysore Public Works Secretary.

Enclosure.

From K. SESHADRI IYER, Esq., Dewan of Mysore, to the Officiating Resident in Mysore, dated Camp Chenroipatam, 16th November 1883, No. 30.

In acknowledging the receipt of your letter, Camp No. 29, dated 9th November 1883, on the subject of improving the water-supply at Bangalore, I have the honor to inform you that His Highness the Maha Rajah's Government gladly accede to the request of the Madras Government that permission may be granted to the officer appointed by that Government to carry on the necessary surveys within Mysore territory. I have also requested Captain Kensington, the Mysore D.P.W. Secretary, to afford to the officer selected by the Madras Government every assistance in his power, and I have no doubt that Captain Kensington's special knowledge and experience of the work in question will be found to be of great value in arriving at a feasible solution of the whole question.

2. Regarding the number of the inhabitants of the Bangalore pettah, for whose supply provision is desirable, the D.P.W. Secretary will communicate to the Assistant Resident the information required.

3. I will only add that previous to the receipt of the letter under acknowledgment, Captain Kensington had already offered his aid to the officer proposed to be selected by the Madras Government, and therefore any delay in making the present communication could have led to no inconvenience.

Order—dated 3rd December 1883, No. 3454 W., Public Works.

Communicated, with reference to G.O., No. 2794 W., dated 5th October 1883, to Colonel J. Mullins, R.E., Chief Engineer for Irrigation, on special duty.

Was Mysore Govt. informed of the name of Officer selected for the duty in connection with Bangalore water supply scheme?

If not. should not such intimation be formally made?

Colonel Mullins has apparently not needed such formal introduction and as he has now been at Bangalore some time, I agreed perhaps it be better to let the matter rest as it is.

Very well
