Read—the following papers :—

From G. T. WALCH, Esq., Officiating Superintending Engineer, First Circle, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 14th June 1882, No. 707 G.D.

With reference to G.O., No. 120 W., dated 14th January 1882, I have the honor to forward, herewith, for sanction, four estimates, with site plans, for constructing a Registrar's and three Sub-Registrars' Offices at the stations noted in the margin, prepared in accordance with the standard design.

No. 12-A.

From G. HAMNETT, Esq., Inspector-General of Registration, to the Secretary to Government, Public Works Department, dated Ootacamund, 25th June 1882, T. No. 1960.

In returning, countersigned, the estimates and site plans of the Registration Offices proposed to be built in the Godávari District, I have the honor to remark that it does not appear from the Superintending Engineer's letter, or the plans, that the Collector or the Registrar of the district has been consulted as to the sites.

2. I have no objection to the sites selected at Cocanada, Alamur, and Amalápuram.

3. The site A for Pithápuram does not appear to me quite suited, as it is close to a market, bandy-stand and choultry. The alternative site B seems better adapted, and it would be well that the Sub-Registrar at Pithápuram, who is a very intelligent officer, should be asked which is the best site before work is commenced.

No. 12-B.

From G. T. WALCH, Esq., Officiating Superintending Engineer, First Circle, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 30th November 1882, No. 2063 G.D.

With reference to your memorandum, No. 371 E., dated 7th July 1882, herewith returned, with its enclosures, I have the honor to state that the buildings for the

Registrar and Sub-Registrars' Offices at Cocanada, Amalápuram, and Alamur are to be constructed on Government ground. The site* for the Sub-Registrar's Office at Pithápuram belongs to the Pithápuram Zemindar, who does not wish to claim compensation for the land. The site has been selected with the consent of the Sub-Registrar.

This information should now be supplied.

2. The previous papers are again forwarded for perusal and return.
