GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following papers :—

From G. H. W. WALKER, Esq., Officiating Under Secretary to the Government of India, Public Works Department (General), to the Secretary to the Government of Madras, Public Works Department, dated Simla, 11th October 1883, Circular No. XIV P.W.

In continuation of this office circular No. 17 of 31st March 1874, I am directed to request that the following procedure may be adopted in future with a view to the Survey of India being supplied with information as to all Public Works, such as canals, irrigation channels, railways and roads, which have been lately constructed, are in course of construction, or are sanctioned in your Government or Administration, to enable that department to record them and to bring the maps of India up to date.

2. On the 1st January of each year the office of the Survey of India, Calcutta, should be furnished by each local Government and Administration with a written list showing the names of the several Public Works which have been constructed, are in course of construction at the time, or have been sanctioned during the past year.

3. The Survey Department will then forward the sheets of the Atlas of India, on which will be entered those several Public Works in established symbols, and the sheets will then be returned to the Survey of India.

4. Should this information be omitted or delayed, it will become the duty of the Surveyor-General of India to remind each local Government or Administration of the fact, and to request that it may be furnished.

From G. H. W. WALKER, Esq., Officiating Under Secretary to the Government of India, Public Works Department (General), to the Secretary to the Government of Madras, Public Works Department, dated Fort William, 30th November 1883, No. 1510 G.

In reply to your telegram of 12th November 1883, inquiring whether there is any objection to the proposal made by the Board of Revenue and forwarded under your endorsement, No. 2805 W., dated 5th October 1883, to substitute duplicate road maps for the list of roads directed in Public Works Department circular No. XIV, dated 11th October 1883, to be forwarded on 1st January of each year to the Surveyor-General of India, I am directed to state that it is considered that the procedure in all provinces should be alike, and I am therefore to request that lists of the roads completed, under construction, and proposed in each year may be prepared, under the orders of the Madras Government, from the road maps which accompany the Local Funds budget estimates, and that these lists may be forwarded, as directed, to the Surveyor-General.

ORDER—dated 8th December 1883, No. 3531 W., Public Works.

The foregoing correspondence will be communicated to officers and departments concerned, for information and guidance.

2. The Chief Engineer for Irrigation and the Consulting Engineer for Railways will furnish the Chief Engineer, Public Works Department, annually, by 1st December, with a written list showing the names of all Public Works, such as canals, irrigation channels, and railways (including State Railways), which have been lately constructed, are in course of construction, or have been sanctioned by Government.

3. The Board of Revenue will be requested in the Financial Department to arrange to procure in duplicate the road maps which accompany the Local Fund budget estimates, and to furnish the Chief Engineer, Public Works Department, with one set of copies by the 1st December of each year.

4. A complete list of works will then be compiled by the Chief Engineer, and supplied to the Surveyor-General of India by the 1st January.

5. The atlas sheets, to be subsequently forwarded by the India Survey Department, will also be completed by the Chief Engineer, Public Works Department, in the manner desired, and returned to the Survey Department.

6. The lists and maps for the current year should be submitted as early as practicable.

7. Ordered that a copy of these Proceedings be forwarded for the information of the Government of India.

(Here enter No. 3532 W., dated 8th December 1883.)

C. No. 9817

In para 2 of the Govt of India Circular it is requested that a "written list" of Public works shall be furnished on the 1st Jany of each year. The Board of Revenue have accepted the recommendation by them of the duplicate copies of the road maps. The Govt of India in the Board's reply are now informed the action taken in the matter. In returning the Govt of India Circular which will be required to state specifically the forms in which the information is to be rendered. Perhaps a reference to India by one mail will be sufficient.

Irrigation Channels, and Railways (excluding State Lines)

will probably have to collect the information from all sources, and forward one complete list to the Calcutta Survey office.

C.S.

12.11.83.

Yes. I think the Secretariat office must accept the duty of reference to Indian Cos be made as proposed.
