2. No provision was made for these works in the Budget Estimate for 1882-83, but in the course of the year a grant of Rs. 5,67,000 was assigned from Imperial Revenues under Civil Buildings, Roads and Services. Under subsequent orders the whole of the outlay in 1882-83 and 1883-84 is to be treated as a charge against the Productive Public Works grant. The Revised Estimate for 1882-83 should be altered to Rs. 4,42,000, the Madras Government* having subsequently advised a reduction of Rs. 1,25,000.

* Telegram, dated 3rd March 1883.

3. The actuals for 1881-82 are incorrectly quoted in the preliminary issue of the Budget Estimate. The correct amounts are shown in the foregoing table, which should be adopted in the final issue of the Budget Estimate.

4. Pending settlement of the manner in which the restoration of the Harbour Works is to be carried out and the formation of a Port Trust, a sum of Rs. 2,30,000 has been assigned for outlay in 1883-84, for which amount the final issue of the estimate should be prepared.

ORDER.—Ordered, that the foregoing be communicated to the Government of Madras for information and guidance, with the request that 30 printed copies of the final issue of the Budget Estimate as now passed may be submitted as soon as possible.

Secretary to the Government of India.
