READ—the following letter from Captain L. LANGLEY, R.E., Executive Engineer, Public Works Department, to the Secretary to Government, Public Works Department, dated St. Helen's, Southsea, 9th November 1883 :—

I have the honor to inform you that I have spent six months at Chatham on duty studying for the examination for promotion in subjects (a) and (b). Having passed the examination, I obtained a certificate from the Commandant, School of Military Engineering, that I had made a good use of my time. Under Rule IX of "Regulations for the Instruction at Chatham of Officers of Royal Engineers on furlough from India," I have elected to take the time passed at Chatham as in addition to my furlough.

2. I have therefore the honor to request the sanction of the Government of Madras to my extending my term of absence from the Public Works Department by six months, that is, from 25th January 1884, on which date my term of two years' furlough expires, to 25th July 1884. In the case of this request being refused, I shall be compelled to present myself before a Medical Board with the view of obtaining additional furlough on medical certificate.

ORDER—dated 14th December 1883, No. 3576 W., Public Works.

Under the circumstances stated by Captain Langley, the Government have no objection to the extension of leave applied for.

2. The Secretary of State will be informed accordingly.

OFFICE NOTE.

To W.

Capt. Langley, having spent 6 months at Chatham on duty, requests sanction of the Government of Madras to his extending his term of absence from P.W.D. by 6 months, that is from 25th June to 25th July, 1884.

Mr. Shulten, Asst. Secy in charge of Public Contract Divⁿ has been granted 20th months furlough on the understanding that he would wait to be relieved by Capt. Langley in January/84.

This arrangement is now upset, and we must find some one to take the post that was to be filled by Capt. Langley.

In mean time reply to Capt. Langley's request is called for. Under the rules I understood he can have this extension with the sanction of Local Gov^t.

Cf.

Extension asked for must be granted. It would clearly be easier to refuse.
