READ—the following letter from Colonel H. L. PRENDERGAST, R.E., Superintending Engineer, Fifth Circle, to the Chief Engineer, Public Works Department, dated Chepauk, 10th November 1883, No. 2842:—

I have the honor to submit, for sanction, a plan and estimate of Rs. 1,100 for constructing a latrine for the Native Infantry Regiment stationed at Ráyapuram.

2. There are no funds at the disposal of the Executive Engineer.

3. The Quartermaster-General writes: "The Military and Medical authorities strongly urge the measure, as it would, to a great extent, do away with the custom now in vogue of resorting to the latrines which are erected in the corner of the compound of each hut."
