GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

Read—the following papers :—

From G. T. WALCH, Esq., Officiating Superintending Engineer, First Circle, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 1st November 1883, No. 2268 G.D.

With reference to the enclosed extract from the list of disallowances from the travelling allowance bill of A Project division for March 1883, I have the honor to inform you that Mr. deMorgan, Executive Engineer then in charge of A Project division, having left on furlough to England, the staff was ordered by me, with your permission,* to proceed from Ganjam to Vizagapatam to do duty under the Executive Engineer there.

* *Vide* telegram, dated 23rd February 1883.

2. In this staff there is a temporary surveyor, Subramanian Iyer, whose claims to steamer passage, &c., for himself and family has been disallowed by the Examiner on the grounds that there was no ruling at the time the surveyor travelled under which travelling allowance was admissible to men of that class.

3. As the surveyor has been ordered to Vizagapatam on public duty, I am of opinion that his travelling expenses for joining the Vizagapatam division should be passed to him, and to this I trust you will be good enough to obtain the sanction of Government.

From the Examiner of Public Works Accounts, dated 27th November 1883, No. 901.

Order—dated 18th December 1883, No. 3613 W., Public Works.

The following claims submitted by surveyor Subramanian Iyer, on the occasion of his transfer to Vizagapatam in March 1883, are sanctioned :—

(1.) Second-class passage for himself and wife.
(2.) Table money for two days for himself and wife.
(3.) Landing and embarking charges, Rs. 6.

2. Paragraph 687 of the Public Works Code, quoted by the Superintending Engineer in support of the surveyor's claim to travelling allowances on account of "father, mother, sister, and brother," is inapplicable to this case. The rules contained in that paragraph have been framed with special reference to journeys to and from Ootacamund.

3. It seems desirable, however, that the term "family," as used in the Civil Travelling Allowance Code,—*vide* paragraph 59,—should be specifically defined. A reference will accordingly be made to the Government of India by the Financial Department.

Please explain why passage money &c. cannot be granted under Section 59 & 60(h) of the C.T.A. Code to the other members of the Surveyor's family for whom it is claimed?

Rule 59 lays down that he is "entitled to "passage money for each "member of his family "actually travelling with him"

There is no definition of the term Family either in the P.W. or Civil Travelling Allowance Code (except in the Hill allowance rules, which are special), and the practice hitherto has been to admit passages for wife and children only.

I have counter initialled this order: but I do not think there can be any intention on the part of the framers of the travelling Allowance Code to use the word family in anything but its old legal sense. A man & his wife form a family, and every child they have is an addition to that family. E.F.L.W. 14/12

For further remarks.

You will see from the accy: letter to India No 3320 dated 15.12.82, that the intention was to allow Surveyors travelling allowances in cases of transfer.

The Code para quoted in support of the claim of the Surveyor on account of "father, mother &c" is of course inapplicable.

It is not clear to me why Para 687 is not applicable nor why Comm has excluded certain members of Surveyor's family. In C.T.R. Code I can see no definition of "family" nor can trace any definite ruling regarding same which C may have acted.
