From,

The Superintending Engineer,

Fourth Circle.

To,

The Chief Engineer
P. W. D.

Sir,

The Commandant Queen's
own Sappers and Miners having in-
formed me that he is sending two
European Hon. Commissioned Officers
with the Company of Sappers that have
been ordered to Cotacmand, it has
become necessary to provide accommo-
dation for them.

2. I have therefore authorized the
Executive Engineer to secure a small
bungalow for their use at as moderate
a rent as possible, and have now the
honor to request your sanction to this
arrangement.

3. Mr. Larmine reported that there

were:

were one or two small places still
vacant but that it would be necessary
to secure one at once, as otherwise
they would probably be taken by
others.

4. I shall report the amount of
rent to be sanctioned as soon as
possible. It will probably be about
25 to 40 Rupees a month.

I have the honor to be,

Sir,

Your Most Obl. Servt.

No 331 Eastern Subdn office

18th January 1883

From The officer in charge

To The Executive Engineer
Western Dⁿ Kistna

Sir
With reference to your No 2469 dated 16th January 1883, I have the honor to inform you that the cause of my not returning to duty within the H-mas holidays was that I missed the Steamer which was advertised to leave Madras on the 3rd instant. As I had personally explained to you, I ascertained on the 1st evening that it was intended to start at noon on the 3rd. I have since learnt that on the 2nd - i.e. Subsequently to the receipt of my information and within 24 hours of the Steamer's departure this intention was altered and the hour of departure fixed at 8 A.M. instead; but of this I was unfortunately not informed, the result being that on my arrival at the pier a little before 10 o'clock I found that the Steamer had left the roads.

Enclosure
I

As there was no other steamer leaving Madras
for Illorupattam till the 12th I started at
once - on the 3rd - by Canal expecting to reach
Duggirala by the 10th at latest. Owing, however
to the heavy draught of my boat - the only
one procurable at the time of my leaving

Madras - I was so delayed that I was unable
to reach Padaganjam till the 11th morning
or Duggirala till the 12th night.

I would conclude by expressing my regret
at the mischance but trust that it may
not have hindered the work in my subdivision
nor caused any inconvenience to yourself.

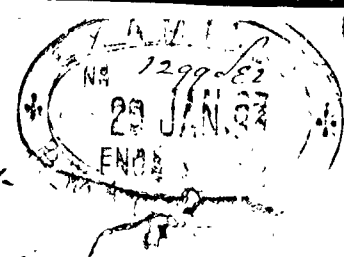

An application for privilege leave is enclosed
duy filled in in accordance with para
2 of your letter.

Have the honor to be
Sir

Your most obedt servant
