Edward Gibson Esquire

Madras.

SIR,

The Accountant General has objected to admit without the special sanction of Government the conveyance & charges of some famine tools which were removed under my orders from Dork in Koltamtha Taluq to Egapali in Pattikonda Taluq under the following circumstances.

2. When I visited Dork on 18th June I found the tools stored in a part of the village Chavidi. I then ordered their removal to Egapali as there was a better place for their storage there; and as I had then in my mind the Proceedings of the Board under date the 2nd March 1883 No. 590 which as I understood them left discretion to collectors to make arrangements for the safe custody of the tools and I was from recollection under the impression that the Board's proposals had been sanctioned. But I find the G.O. on the above -

Proceedings of the Board of Revenue, dated 17th December 1883, Mis. No. 10872.

Read—the following letter from W. H. GLENNY, Esq., Collector of Kurnool, to the Secretary to the Board of Revenue, dated 4th December 1883, No. 472 :—

The Accountant-General has objected to admit, without the special sanction of Government, the conveyance charges of some famine tools which were removed under my orders from Owk in Koilkuntla taluk to Pyapalli in Pattikonda taluk under the following circumstances.

2. When I visited Owk on 18th June I found the tools stored in a part of the village chavidi. I then ordered their removal to Pyapalli, as there was a better place for their storage there; and as I had then in my mind the Proceedings of the Board, under date the 2nd March 1883, No. 590, which, as I understood them, left discretion to Collectors to make arrangements for the safe custody of the tools, and I was, from recollection, under the impression that the Board's proposals had been sanctioned. But I find in the Government Order on the above Proceedings that the duty of storing these tools devolves on the Public Works Department (and I presume the transport of them also). I have therefore the honor to request that the sanction of Government may be obtained for the above charges amounting to Rs. 318-4-0.

3. I have further to ask for sanction of the expenditure of Rs. 79-8-0 incurred on account of the removal of tools from Nandyál to Kurnool under the orders of the Acting Head Assistant Collector, who seems to have acted under a misapprehension similar to my own.

4. As the matter is one of mere account, and not of any additional cost, I trust that Government will excuse our error and sanction the charge—*vide* G.O., dated 22nd October 1883, No. 2987 W., Public Works, embodied in Board's Proceedings, dated 17th November 1883, No. 3514.

Resolution—dated 17th December 1883, Mis. No. 10872.

Submitted for the orders of Government with the Board's recommendation that the Accountant-General may be authorized to admit the charge and make the necessary adjustments in communication with the Department of Public Works.
