Read—the following letter from the Acting Registrar of the High Court, Appellate Side, dated 7th December 1883, No. 3813 :—

The District Judge of South Malabar, in the report of his recent inspection of the District Munsif's Court of Kutnad, says :—

"The court is very inconveniently situated in a tumble-down old building close to the port, so that constant interruption is caused by the noise. It is held in a large upstair room very unfitted for a court room. The building formerly utilized as a court has tumbled down, and it is in contemplation to erect a new building in which the Munsif, Deputy Collector, Tahsildar, &c., are all to be located. Something must be done at an early date."

2. I am directed by the Honorable the Judges to forward these remarks for the consideration of Government, and to suggest that a new court-house may be built for the District Munsif.

Order—dated 17th December 1883, Mis. No. 3322, Judicial.

Estimates for a new Munsif's court-house will be called for in the Public Works Department.
