RESOLUTION.—The demands for 1884-85 for Imperial Works other than Military, Irrigation, and State Railways are compared below with the assignments for 1883-84 :—

	Demand, 1884-85.	Provisional Assignment, 1883-84.
	Rs.	Rs.

2. It is observed that the demands for the ensuing official year exceed the total assignment made for 1883-84 by Rs. 13,02,537, whereas financial requirements render it absolutely necessary that the grants to be made for Civil Buildings, Roads, and Services during 1884-85 should not, with the amounts to be held in reserve for expenditure in England and for emergent unforeseen requirements during the year, exceed Rs. 50,93,450 in the aggregate. Some of the demands made must therefore be reduced, and in this view the reductions shown in the following table are made :—

	Demands, 1884-85.	Provisional grant, 1884-85.	Difference (+ or —).
	Rs.	Rs.	Rs.

Baluchistan	5,10,000	1,80,000	— 3,30,000
Simla Imperial Circle	9,60,450	6,69,450	— 2,91,000
Harnai road (Baluchistan)	...	5,00,000	+ 5,00,000
Further allotment for Postal works (to be distributed hereafter)	...	80,000	+ 80,000
Further allotment for Opium works in Bengal and North-Western Provinces and Oudh (to be distributed hereafter)	...	50,000	+ 50,000
Reserve for English Expenditure	...	16,20,000	+ 16,20,000
Reserve for Indian Expenditure	...	3,12,212	+ 3,12,212
Total	55,79,599	50,93,450	— 4,86,149

3. The details of the provisional grants now assigned will be found in the statement attached to this Resolution. The detailed Budget Estimates should be prepared for the grants provisionally sanctioned herein, *plus* any further sums which may hereafter be allotted when the distribution of the lump sums entered in the table in the preceding paragraph for Postal and Opium works is made. The Budget Estimates should further be prepared in strict accordance with the programme in the accompanying statement, except in those cases where the distribution is left to the local administrations, and they should be submitted so as to reach the Government of India punctually on the 15th January 1884.

ORDER.—Ordered, that this Resolution be communicated to the Local Governments and Administrations noted in the margin, to the Director General of Railways, the Director General of Telegraphs, the Director General of the Post Office of India, the Inspector General of Military Works, and the Superintendent of Works, Simla Imperial Circle, for information and guidance.
