From the Board of Revenue.

Note of Remarks.

1. This revised estimate provides for the formation of a road from Thalayanangalam to Sithamally, in the Tanjore District and amounts to Rs. 7,200 --- being Rs. 1,000 --- in excess of the original estimate, Rs. 6,200.
2. The specification takes no note of the masonry work, the extension of the wing wall of a head sluice at Rs. 210 ---, for which provision is now made for the first time in the revised estimate.
3. The excess mainly arises from an increase in the rate for and quantity of earthwork, and partly the extension of the wing wall above alluded to.
4. The 'units of work' adopted in the calculations are not those laid down in the S.P. No. 1000.
5. The abstract has been countersigned by the L. A. President.
