Post Office.

An estimate for improvements to the
Cuddalore, sanctioned.

Copy of a communication from
the Postmaster General, Madras,
to the Director General of the Post Office
in India dated 17th June 1882 No. ²³¹/₆₂₆.

I have the honor to forward a
plan and estimate for Rs. 1395 for
certain alterations and additions to the Post
office building at Cuddalore and request
that you will be so good as to send sanction
to the measure.

The Superintendent of Post Office
reports that the present building is very
small and totally insufficient for the
Postmaster and six clerks and that there
is not even space to accommodate them
with seats and they are obliged to be
crowded together two or three at one table
which is likely to lead to confusion.
There is also no place to put up the
notice board and great inconvenience
is generally felt. Under these circumstances
the extension of the building is indispensably
necessary.

It is proposed to carry out
the work during 1883-84.

Copy of a communication from
the Director General of the Post Office
