2. The sum of Rs. 12,450, as noted below, relinquished under Imperial Other Services, Salt, will be surrendered to the Government of India:—

|                                                                                                                                                 | rs.    |
|-------------------------------------------------------------------------------------------------------------------------------------------------|--------|
| 1. Constructing groyne of pipes and sand bags for Ennore bar.—Estimate of Rs. 5,200 sanctioned in G.O., No. 1291 W., dated 22nd May 1882 ... .. | 600    |
| 2. Opening and maintaining the Ennore bar.—Budget Item No. 8.                                                                                   | 1,500  |
| 3. Do. do. Covelong bar.—Do. " 9.                                                                                                               | 4,740  |
| 4. Minor Works, Ganjam Division, lump sum grant                                                                                                 | 1,000  |
| 5. Do., Reserve with Government                                                                                                                 | 2,160  |
|                                                                                                                                                 | 10,000 |
| Establishment Charges at 23 per cent.                                                                                                           | 2,300  |
| Tools and Plant at 1½ per cent.                                                                                                                 | 150    |
| Total                                                                                                                                           | 12,450 |

3. The sum of Rs. 900, surrendered by the Superintending Engineer, First Circle, from the grant to the Ganjam Division under Minor Works Postal, will be credited to the reserve with Government under the same head.

4. The Superintending Engineer, Fourth Circle, in his Budget Estimate for 1883-84, Imperial Military, puts down the probable outlay during 1882-83 on the construction of the Mallapuram Barracks at only Rs. 5,568, while the grant for the year is Rs. 21,568. He will explain as to the cause of short outlay, and state whether he will relinquish any further sum in addition to the amount withdrawn above to admit of the saving being utilized, if possible, elsewhere.

5. The grant of Rs. 800 to the Ganjam Division under Military Original Works, surrendered by the Superintending Engineer, First Circle, is credited to the reserve under Minor Works, Military.

(True Extract.)

(Signed) R. H. SANKEY, Colonel, R.E.,  
Secretary to Govt., P.W.D.

To the Superintending Engineer, First Circle.

3. The sum of Rs. 900, surrendered by the Superintending Engineer, First Circle, from the grant to the Ganjam Division under Minor Works Postal, will be credited to the reserve with Government under the same head.

4. The Superintending Engineer, Fourth Circle, in his Budget Estimate for 1883-84, Imperial Military, puts down the probable outlay during 1882-83 on the construction of the Mallápuram Barracks at only Rs. 5,568, while the grant for the year is Rs. 21,568. He will explain as to the cause of short outlay, and state whether he will relinquish any further sum in addition to the amount withdrawn above to admit of the saving being utilized, if possible, elsewhere.

5. The grant of Rs. 800 to the Ganjam Division under Military Original Works, surrendered by the Superintending Engineer, First Circle, is credited to the reserve under Minor Works, Military.

(True Extract.)
