SUPERINTENDING ENGINEER'S OFFICE,

To

THE Chief Engineer

P.W.D.

SIR,

Enclosures.

With reference to your Memo No. 190C dated 18th January 1883, I have the honor to report that the scale of Establishment for the Canal Division was decided on by Major Pennycuick and the Chief Engineer for Irrigation after personal inspection of the Division.

2. The Storekeeper at Kurnool has charge of the workshop also; and as there are large quantities of Stores and Plant on hand at Kurnool and Cuddapah, the work cannot be performed by a Storekeeper on Rs 25 allowed for a 1st Class Division. The Stores and workshop Establishment of the Canal Division may be considered as special. Any reduction if found necessary, can be made hereafter.

3. It would appear that with a view to provide for Draftsman Sadasiva Row who served under the Company for 21 Years and who was drawing Rs. 50 per mensem for the past 12 years, a 2nd Claſs Draftsman was proposed in place of a 3rd Claſs. I would suggest that the 2nd Claſs Draftsman be transferred when a Vacancy occurs in the Circle and a 3rd Claſs Draftsman appointed in his stead.

4. The grant required during the current Official Year for the temporary Establishment amounts to Rs. 840 as per particulars given below.

	Rs.
2 Supervisors @ 150 =	300
Traveling allowance for – do at 60 Rs. –	120
Per month	420
For 2 months	840
