To

The Secretary to Government
Public Works Department

Sir

With reference to L^o N^o 3380 W
of the 21st December 1882 and to
semi official correspondence rela-
ting to the decoration I have the
honour to inform you that I have
seen M^{rs} Deschamps & Co about
that portion of the work estimated
to cost R^o 23,389 to be done in 1882/83.

2 The Schedule of rates, and
the proposed agreement with Es-
timate of the work which M^{rs}
Deschamps & Co are to do, are enclosed.

3 The agreement and Schedule of

rates have been gone carefully through by me with Messrs Deschamps & Co and now merely require formal Execution by some officer of the Public Works Department and Messrs Deschamps & Co.

4 The Silk and paper materials also required from Europe have been ordered and will be supplied by Messrs Deschamps & Co at their actual cost to them at Botocamund. I have ordered the Crêtonne. The work of cutting out and making up the dados is well in hand.

5. The item of "Contingencies" in the Estimate is reserved to cover any extra quantities of work or cost of materials from Europe, as also to allow of some very inexpensive ^{arrangement for the walls} lining — by cheap paper or otherwise — of the private staircase and upper Corridor, of which the

Decorations will not be undertaken
in this official year

6 Mr. Chisholm has very kindly assisted Messrs Dechamps & Co with patterns of carving and detailed measurements; and I have the honour to request that the Executive Engineer may be instructed to afford all the assistance to Messrs Dechamps & Co which it may be in the power of himself or his Subordinates to give

Have the honour to be
Sir

Your Most Obedient Servant.
