READ—the following paper:—

Proceedings of the Board of Revenue, dated 24th January 1883, Mis. No. 617.

Read—the following letter from H. E. STOKES, Esq., Acting Collector of Tanjore, to the Secretary to the Board of Revenue, dated 10th January 1883, No. 119:—

I have the honor to report that the Municipal Commissioners of Mannárgudi have given to the Deputy Collector two months' notice requiring him to remove his office from the Municipal building, where it has been hitherto held, a rent of Rs. 5 per mensem being paid. The Deputy Collector is looking for some temporary accommodation, but meanwhile I address the Board in view to orders being obtained for the insertion of provision for erecting an office for the Deputy Collector in next year's budget. Plans and estimates for the work were sanctioned in G.O., 21st January 1876, No. 159, Public Works Department.

Vide G.O., 30th June 1862, No. 1423, Revenue Department.

2. I have seen the building, and can testify to the inconvenience both to the Municipality and the Deputy Collector of the arrangement which has subsisted till now. The building is small, consisting of one centre room with two very small ones at the sides. The Deputy Collector's belongings have to be cleared out for meetings once a week, and his clerks and records are huddled up in one of the end rooms and in the verandahs. The second end room is quite inadequate for the Municipal office, and I think the Commissioners are quite right in wishing to get rid of the Deputy Collector's office.

Resolution—dated 24th January 1883, Mis. No. 617.

Submitted to Government with the Board's recommendation that funds may be allotted for the work in the Public Works Department Budget for 1883-84.

ORDER—dated 13th February 1883, No. 479 W., Public Works.

Provision of funds will be made for the work in the Final Issue of the Provincial Budget Estimate for 1883-84.

2. The Superintending Engineer, Sixth Circle, will in the meanwhile report whether the estimate of Rs. 9,250 sanctioned in G.O., No. 159, dated 21st January 1876, will need any modification, and if so he will submit at an early date a revised plan and estimate for constructing an office for the Deputy Collector at Mannárgudi.
