No. 199.

READ—the following:—

Memorandum, dated 10th February 1883, No. 303, Financial.

In G.O., No. 261 W., dated 23rd January 1883, paragraph 4, it is observed that a provision of Rs. 50,000 is made for the road from Ootacamund to Naduvatam for the ensuing year, the amount to be placed at the disposal of the Local Fund Board, should that agency be employed in the execution of the work. A similar provision has already been made in the Financial Department for Ootacamund roads. The Public Works provision is apparently for the same purpose and in addition to that made by the Financial Department, in which case the Local Fund Board, Nilgiris, would receive a contribution of Rs. 1,00,000 from Provincial for roads in 1883-84, which was certainly not intended. The matter is pointed out as the Public Works grant was reduced owing to financial pressure, and it would now seem expedient to utilise this amount for such Provincial works as the Public Works Department may think proper.

(Signed) C. G. MASTER,
Chief Secretary.

To the Public Works Department, with copy of a statement
read in G.O., No. 131, dated 22nd January 1883.

The allotment of
 £50,000 was entered
 under instruction from
 W. There was nothing
 to show that the Finan-
 cial Dept. were making
 an allotment for the
 same work. If
 approved, the allot-
 ment can be trans-
 ferred to the Reserve.
 It is thought that
 we wished to have
 the work under some
 professional control.
 If the money is
 taken as a grant-in-
 aid from the Financial
 Dept. in the usual
 way, it may be spent
 at the discretion of
 the L. J. Board,
 perhaps without
 even sanctioned
 estimates. L. J. B.
