Sir

I have the honor to forward a Plan and Estimate for Rs 1384-0-0 for Construction by the D P W. of a VII class Post Office at Peermaad and request that you will be so good as to accord your sanction to the same.

The Post office is now held in a thatched house, damp, unsafe and incommodious & on an inconvenient site, for which a monthly rent of Rs 3 is paid.

As a suitable & substantial house is not procurable for rent at Peermaad which is a hill station, it is proposed to erect a substantial building on a convenient site.

It is proposed to carry out the work from the Minor Works Grant for 1883-84.
