I have the honor to forward, for the sanction of Government, abstract estimates for Sub-Registrars' Offices at Bezvada, Gudivada, Ponnur, and Narsaraopet. The estimates were returned by the Inspector-General of Registration, who requested that sun-shades over the two windows in the office rooms might be allowed, as experience has shown that they are absolutely necessary.

2. I would, therefore, suggest that a memorandum directing that sun-shades be added to the standard plan should be issued.

3. There has been great difficulty about arranging for a site for the Sub-Registrar's Office at Gudivada.

4. The only site suitable has to be purchased for Rs. 280, and if not acquired at once may not be secured.

5. I request, therefore, that, if possible, Rs. 280 be allowed in the current year, to enable this site to be purchased at once.

6. The estimates for the offices at the other stations, mentioned in G.O., No. 994 W., dated 22nd April 1882, have been forwarded to the Inspector-General of Registration for countersignature and submission to Government.

7. The delay has been due to correspondence with the Revenue officers regarding the sites.
