I solicit sanction to retain Mr Maddox
 in one of the vacant second grade
 posts. This will make one of the third
 grade men superannuated, and to this
 temporary excess over sanction, the
 sanction of the Govt of India will be
 necessary. This is the way in which
 a number of like cases were disposed
 of in the North of India after the reduction
 of 1879. Mr Maddox, as I read the
 record of his services, deserves con-

 province as far as I can judge, has

any claim to the second

+ No 58. O. I. of 22^d June/80.

Accompanying is a
letter from the Examiner P. W.
Accounts on the subject of
the present grading and
final disposal of the question
relating to the examinations
to be passed by Accountants.

2. The decision in this
case has been purposely
deferred so as to allow the
men concerned every latitude
in regard to time, and thus
remove every excuse as regards
their eventually passing the

Divisional test.

3. They will now have a clear year in addition to the time already lapsed in which to pass an examination in ~~the~~ subjects which in reality form their every day routine work.

4. If a man after all the training he has had or already, and the year's grace now provided for cannot pass, he must be quite unfit intellectually for the position of Divisional Accountant.

5. Major Conway-Gordon as I venture to think erred in not having his office order, which was much of the same character as the proposed draft, accepted and passed by Government; the result being that it failed almost entirely

in its object.

b. I venture to think
that it is most material
(1) that the order should
issue from Government and
(2) that it should be so
absolute in its terms as to
preclude all possibility of
evasion or mistake.

From the Government of India N. 2692

In reply to your letter N. 269. W
d/31st ultimo, I am directed to state
that the issue of any orders at
present regarding the future disposal
of the services of Mr. Maddox,
Joint Auditor & Accountant, Madras

premature. It can hardly be necessary
to consider the question until the
transfer of the Canal to Government
has been definitely arranged
for and carried out.

READ the following letter

from the Examiner's Quarters by
and Emigration Accounts Madras
No 1491. S. of 28 November
179.

I have the honor to inform
you that in communication with
the Examiner R. M. Accounts I
have ascertained that Mr. J. S.
Madden of his office is an
officer of considerable ex-
perience who would be likely
in every way to satisfactorily
fulfil the duties of the joint
Accounts Officer with the Madras
Emigration and Canal Company
at Kurnool and I propose

that Mr. Maddox should be made the joint officer in lieu of the present temporary arrangement whereby the duties of the appointment are being carried on by the Head Accountant from this office. Mr. Maddox is at present employed in the R.M. S. Secretariat, but I understand his services can be made available.

Mr. Maddox's substantive salary is Rs. 275, but he at present draws Rs. 345 in the Secretariat. The arrangement with the Company is for an Accountant of the 2^d Grade whose pay ranges from Rs. 250 to Rs. 340 and

I have the honor to solicit the sanction of Govt. to Mr. Maddox drawing the maximum pay of a 2^d Grade Accountant while employed as joint Account Officer with the Canal Company. The salary is, under the arrangement, payable by the Company.

I have communicated demiofficially with the Chief Engineer and Manager, who I understand is willing to assent to the arrangement subject to any proposals it may hereafter be deemed desirable to make in

reference to the joint appoint-
-ment.

Application has been made
to the Examiner R.W. Act.
for Mr Maddox's services
subject to the sanction
now asked for.

G/O R. 21 December '79

Forwarded to the Chief En-
-gineer for investigation with in-
-formation that this office
has no objection to Mr J. L.
Maddox going to Kurnool
as a temporary measure as
soon as he can be spared
from his office where he is
at present doing duty as 2^d

Assistant.

2. As regards the appointment of Mr. Maddox as a 2nd Grade Accountant on the maximum pay of that grade viz: Rs: 340 per mensem, the special sanction of the Govt. of India will be necessary to the arrangement and this must be obtained before pay at that rate can be passed to him.

In reply to your letter, No. 1449 W., dated 10th June 1882, I am directed to state that the Government of India approves of the proposed continued employment, for a period of six months from 1st July 1882, the date from which the Madras Irrigation and Canal Company's works are to be taken over by Government, of the Company's staff at present employed on the works, but steps should be taken to give the employes in question the requisite notice of the termination of their engagement.

ORDER—dated 15th July 1882, No. 547 I., Public Works.

2. The Superintending Engineer will also report at an early date the names of those of the staff whom he proposes to retain on the works up to 31st December 1882, and of those whose services may be dispensed with.

 READ—the following letter from G. T. WALCH, Esq., Officiating Superintending Engineer, First Circle, on Special Duty, to the Chief Engineer for Irrigation, dated Cuddapah, 2nd September 1882, No. 32:—
 Paragraph 4 of my No. 6, dated 6th July 1882,

I was under the impression (see paragraph 4 of my No. 6, dated 6th July 1882, printed with G.O., No. 654 I., dated 21st August 1882, and your telegram of 3rd August 1882,) that the arrangements connected with the office of the Chief Accountant and Auditor of the late Madras Irrigation and Canal Company would be made by the Examiner of Railway and Irrigation Accounts, under whose direct orders Mr. Maddox, the Chief Accountant, was considered.

2. It now appears that the Examiner of Railway and Irrigation Accounts will not deal with the establishment in question, and I have the honor to request to be informed if Mr. Maddox is to be considered under the direct orders of the Officer in charge of the Kurnool *Canal Division*, with the expenditure on which he has nothing to do, and also whose is to be the duty and responsibility of getting rid of the large office establishment now in the "Chief Accountant's and Auditor's" office.

3. In answer to inquiry as to when that establishment or parts of it might be dispensed with, Mr. Maddox writes, "I will probably require the whole of my present staff until the end of October; later on I will be in a better position to report as to what portion, if any, of my staff can be dispensed with." * *

It will be seen that no portion of the establishment is retained beyond the time absolutely necessary to close the Company's accounts up to 6th July last.

Mr. Maddox was appointed in Madras and has never been placed on the graded list of Accountants. Hence the present difficulty. His real position is that of "Clerk" in C's office. He had "local rank" of 1st grade Accountant, conferred on him while on special duty at Kurnool. He now loses this. India have already said they cannot provide for him. KEEP WITH

Genl. No.

Mr. Maddox's connection with
the Company will apparently cease
after the 6th. August, though I
have doubts about his being able
to close the Company's Accounts
by that time.

2. I would suggest that Mr.
Maddox be entered on the list
of persons to be retained to end
of 31st. December 1882 (G.O. No.
547.1. of 15th. July) and that his
salary etc. be met from the same
source as that of others of the
retained staff. He can be relieved
as soon as he reports that he has
wound up the Company's Books and
has the permission of the Examiner
Guaranteed Railway Accounts to
give up the Government Auditor-
ship.

3. As to Mr. Maddox's future employ-
ment I can offer no suggestion.
