Civil Works.

No. 129.

READ—the following letter from G. HAMNETT, Esq., Inspector-General of Registration, to the Chief Secretary to Government, dated Komalapadu, 8th February 1883, No. 203 :—

I have the honor to annex an extract from my Notes of Inspection of the Sub-Registrar's Office at Hospet, in the Bellary District, on the 16th November 1882, and to request that you will be pleased to move the Government to sanction the erection of an office for the sub-district on the standard design.

2. Hospet will, on the opening of the Hubli Railway, rise to some importance, and a proper Registration Office is essential there.

ENCLOSURE.

EXTRACT from the Notes on the Inspection of the Sub-Registrar's Office at Hospet, in the District of Bellary, on the 16th November 1882.

"The office is in charge of a Special Sub-Registrar since April 1880. It is held in a small room, measuring 13' x 6½', in the Taluk Ootcherri. It contains an almirah, a table, a desk, a bench, and two chairs. The Sub-Registrar and his Gumastah occupy the room. Parties have to stand outside of the only door. The arrangement is a most objectionable one, and the sooner a new office can be provided, the better for registration."
