Assignment for Imperial Other Services  
1882-83.—Passing orders on the — by  
Government of India.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

12th December 1881, No. 3082 W.

General.  
Account.

Read the following paper:—

No. 43. Proceedings of the Government of India, Public Works Department, (Account—General,) dated Simla, 14th November 1881, No. 417 A.G.

*Distribution of the Imperial Grant for Other Services for 1882-83.*

Read the following papers:—

Letter from Secretary to Government of Madras, No. 2367 W., dated 26th September 1881.

\* \* \* \* \*

RESOLUTION.—The demands for 1882-83 for works other than Military, Irrigation, and State Railways are compared below with the corresponding grant for 1881-82:—

|        |     |     | Demand,<br>1882-83.<br>RS. | Grant,<br>1881-82.<br>RS. |
|--------|-----|-----|----------------------------|---------------------------|
| Madras | ... | ... | 3,50,584                   | 3,38,002                  |
|        | *   | *   | *                          | *                         |

2. It is thus observed that the demands for 1882-83 exceed the total Imperial Other Services grant for 1881-82 by Rs. 14,76,894, whereas financial requirements make it absolutely necessary that the grants to be made for Other Services works for the ensuing official year should not, with the amount to be held in reserve, exceed in the aggregate Rs. 56,00,000. Some of the demands must therefore be cut down, and in this view the reductions shown in the following table are made:—

|        |     | Demands,<br>1882-83.<br>RS. | Provisional<br>Grant,<br>1882-83.<br>RS. | Reduction or<br>Addition.<br>RS. |
|--------|-----|-----------------------------|------------------------------------------|----------------------------------|
| Madras | ... | 3,50,584                    | 3,16,701                                 | — 33,883                         |
|        | *   | *                           | *                                        | *                                |

3. The items making up the provisional grant now assigned will be found in the statement attached to this Resolution. The detailed budget estimates should be prepared only for the grants provisionally sanctioned, strictly in accordance with the programme now laid down. The grants herein allowed include provision for any expenditure that may be incurred in England on stores for works provisioned for as Imperial Other Services. The budget estimates should be submitted so as to reach the Government of India punctually on the 15th January 1882.

ORDER.—Ordered, that this Resolution be communicated to the local Govern-

The Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh, and the Punjab, in the Public Works Department.

ments and Administrations noted in the margin, the Director-General of Telegraphs, the Director-General of the Post Office of India, and the Inspector-General, Military Works, for information and guidance.

2. It is thus observed that the demands for 1882-83 exceed the total Imperial Other Services grant for 1881-82 by Rs. 14,76,894, whereas financial requirements make it absolutely necessary that the grants to be made for Other Services works for the ensuing official year should not, with the amount to be held in reserve, exceed in the aggregate Rs. 56,00,000. Some of the demands must therefore be cut down, and in this view the reductions shown in the following table are made:—
